ENERGY SAVINGS INCOME FUND ANNOUNCES JANUARY DISTRIBUTION

TORONTO, ONTARIO – January 4, 2008 - - Energy Savings Income Fund filed notice with the Toronto Stock Exchange today announcing its distribution for January. A distribution of \$0.10083/unit will be paid on January 31st, 2008 to Unitholders of record at the close of business on January 15th, 2008. The Units trade on the Toronto Stock Exchange under the symbol “SIF.UN”.

The Fund

Energy Savings’ natural gas business, which is conducted in Ontario, Manitoba, Alberta, Quebec, British Columbia, Illinois, Indiana and New York, involves the sale of gas to residential, small to mid-size commercial and small industrial customers under long term, irrevocable fixed price contracts. Energy Savings also supplies electricity to Ontario, Alberta, New York and Texas customers. By fixing the price of natural gas or electricity under its fixed price contracts for a period of up to five years, Energy Savings’ customers offset their exposure to changes in the price of these essential commodities. Energy Savings, which commenced business in July of 1997, derives its margin or gross profit from the difference between the fixed price at which it is able to sell the commodities to its customers and the fixed price at which it purchases the matching volumes from its suppliers.
