**ENERGY SAVINGS INCOME FUND ANNOUNCES NOVEMBER  
DISTRIBUTION**

---

TORONTO, ONTARIO – November 8, 2004 - - Energy Savings Income Fund filed notice with the Toronto Stock Exchange today announcing its November distribution. A distribution of \$0.072 will be paid on November 30, 2004 to Unitholders of record at the close of business on November 15, 2004. The Units trade on the Toronto Stock Exchange under the symbol “SIF.UN”.

*The Fund*

Energy Savings’ business, which is conducted in Ontario, Manitoba, Quebec, British Columbia and Illinois, involves the sale of natural gas to residential, small to mid-size commercial and small industrial customers under long term, irrevocable fixed price contracts. Energy Savings also supplies electricity to Ontario customers under contracts secured prior to the November 11, 2002 price freeze and to certain large volume users who do not fall under the Government’s price cap. By fixing the price of natural gas or electricity under its fixed price contracts for a period of up to five years, Energy Savings’ customers eliminate their exposure to changes in the price of these essential commodities. Energy Savings, which commenced business in July of 1997, derives its margin or gross profit from the difference between the fixed price at which it is able to sell the commodities to its customers and the fixed price at which it purchases the matching volumes from its suppliers.
