TO BE HELD ON THURSDAY, JUNE 28, 2007

TORONTO, ONTARIO

MAY 17, 2007

ENERGY
SAVINGS INCOME FUND

May 17, 2007

Dear Unitholder:

Please accept my personal invitation to join us at the sixth Annual and Special Meeting of Energy Savings Income Fund which takes place at 4:00 p.m., on Thursday June 28, 2007 at the Toronto Stock Exchange — Broadcast Centre, in Toronto which is located on the main floor of The Exchange Tower, 2 First Canadian Place, 130 King Street West.

Energy Savings has proven to be an unique Income Fund. Since its inception on April 30, 2001, the Fund has delivered not only stable predictable distributions to our Unitholders but also has steadily increased the rate of distribution. Since its IPO, the Fund has increased its rate of distribution 26 times. Adjusted for two unit subsdivisions, the distribution rate has increased from $0.30 per unit to $1.115 per unit today, an increase of 272%. We believe this makes us unique within the Income Trust sector and believe it will sustain our market valuation in the face of the proposed tax on Income Trust distributions. Your management is optimistic about the continued growth and profitability of the Fund.

The items of business to be dealt with and the details of the meeting are listed in the attached Notice of Meeting. The business will include: the presentation of the Audited Consolidated Financial Statements of the Fund and the Report of the Auditors for the fiscal year ended March 31, 2007; the election of Directors of Ontario Energy Savings Corp. and the appointment of KPMG LLP as auditors. In addition, the Fund is proposing to make amendments to its 2004 Unit Appreciation Rights Plan which are described in the accompanying Information Circular.

Information concerning the Fund and its operating entities is available at our website at www.esif.ca. You will also find recently filed corporate disclosure documents on the website.

I hope you will be able to attend as the meeting is your opportunity to meet with the Board of Directors and the Senior Management Team to discuss items of interest to you and to receive a presentation outlining our continuing efforts to ensure that the Fund remains one of your most valued holdings.

If you are unable to attend in person, I urge you to vote indicating your preferences by signing and returning the enclosed Form of Proxy in the envelope provided.

Sincerely,

REBECCA MACDONALD
Executive Chair

APPOINTMENT OF PROXIES

Holders have received with this Information Circular a form of proxy for the Meeting. The persons named in such form of proxy are directors and officers of the Administrator. A Holder submitting a proxy has the right to appoint a person (who need not be a Holder) to attend and act on his or her behalf at the Meeting, other than the persons designated in the enclosed form of proxy. Such appointment may be exercised by striking out the names of the persons designated in the enclosed form of proxy and by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy. A form of proxy will not be valid unless it is completed and delivered to the Fund, c/o Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, for receipt not less than 24 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting Date or any adjournment or postponement thereof at which the proxy is to be used or be deposited with the Chair of the Meeting prior to the commencement of the Meeting. A proxy should be executed by the Holder or his attorney duly authorized in writing or, if the Holder is a corporation, by an officer thereof or an attorney thereof duly authorized.

OESC, as administrator of the Fund, has fixed the record date for the Meeting as the close of business on May 17, 2007 (the "Record Date"). Only Holders of record as at that date are entitled to receive notice of, and to vote at, the Meeting. No person who became a Holder after the Record Date shall be entitled to vote at the Meeting.

REVOCABILITY OF PROXIES

A Holder who has submitted a proxy may revoke it at any time insofar as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the Holder or by his or her attorney duly authorized in writing or, if the Holder is a corporation, by an officer or attorney thereof duly authorized in writing and deposited either at the head office of the Fund located at First Canadian Place, 100 King Street West, Suite 2630, P.O. Box 55, Toronto, Ontario, M5X 1E1, as the case may be, at any time up to and including the last business day preceding the Meeting Date or with the Chair of the Meeting on the Meeting Date and upon either of such deposits the proxy is revoked. A proxy may also be revoked if a Holder personally attends the Meeting and votes his or her Units or Preference Shares, as the case may be, or in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXYHOLDERS

The persons designated as nominees in the enclosed form of proxy will, on a poll, vote or withhold from voting, or vote as instructed, the securities in respect of which they are appointed in accordance with the instructions of the Holders appointing them. In the absence of such a voting instruction such securities will, on a poll or otherwise, be voted **FOR APPROVAL** or **FOR** those matters set out in the enclosed proxy and, at the discretion of the proxyholders, with respect to other matters that may properly come before the Meeting. **THE ENCLOSED FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN WITH RESPECT TO AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE PROXY AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING.** At the time of printing this Information Circular, management of the Administrator is not aware of any such amendments, variations or other matters. If any matters which are not now known to the Administrator should properly come before the Meeting, the persons named in the accompanying form of proxy will vote on such matters in accordance with their best judgment.

INTEREST OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED UPON

Montreal Trust Company of Canada is the Trustee of the Fund. The Trustee holds all the common shares of OESC on behalf of the Fund and must vote them pursuant to the direction of the Holders.

UNITS, PREFERENCE SHARES AND THE PRINCIPAL HOLDERS THEREOF

Units and Preference Shares

The Fund is an open-ended, limited purpose trust, established by the Declaration of Trust for the purpose of investing in and holding, directly or indirectly, certain securities of OESC and Exchangeco and 100% of the securities of several affiliated entities and issuing Units to the public. The sole beneficiaries of the Fund are the holders of the Units and Preference Shares. Pursuant to the terms of the Declaration of Trust: (a) Unitholders of record are entitled to notice of and to attend at the Meeting in person or by proxy, and to one vote per Unit held on any ballot thereat; and (b) the Holders of Preference Shares are entitled to notice of and to attend the Meeting in person or by proxy, and to vote in all votes of Unitholders as if they were the holders of the number of Units which they would receive if they exercised all of their shareholder exchange rights pursuant to the OESC Shareholders' Agreement as of the record date for such votes and are treated in all respects as Unitholders for the purpose of any such votes.

As at May 17, 2007, the Record Date, the Fund has 98,082,535 issued and outstanding Units and OESC has 8,706,212 issued and outstanding Preference Shares so that 106,788,747 votes are entitled to be cast at the Meeting.

Principal Holders of Units and Preference Shares

Except as disclosed below, to the best of the knowledge of the Trustee, the Administrator and the directors and senior officers of the Administrator, there is no person or corporation which beneficially owns, directly or indirectly, or exercises control or direction over, Units and Preference Shares, collectively carrying more than

10% of the voting rights attached to all Preference Shares of OESC and all Units of the Fund, in the aggregate, entitled to vote at the Meeting. Acuity Investment Management Inc. ("Acuity") filed a report on Sedar as an eligible institutional investor pursuant to Part 4 of National Instrument 62-103 for the period ending April 30, 2007 indicating that as at April 30, 2007, it held as an eligible institutional investor, in accounts managed by Acuity 14,362,450 Units of the Fund (14.64% of the then outstanding Units of the Fund). The report states that: "the securities were acquired in the ordinary course of business for investment purposes and not for the purpose of exercising control or direction over the Reporting Issuer" (ie., the Fund).

As at May 17, 2007, the officers and directors of OESC held beneficially, directly or indirectly, in the aggregate, approximately 1,832,401 Units and 8,706,212 Preference Shares.

Voting of Units — Advice to Beneficial Holders of Units

The information as set forth in this section is of significant importance to all Unitholders of the Fund, as none of the Unitholders ("Beneficial Unitholders") of the Fund hold Units in their own name. If you are a Beneficial Unitholder and wish to vote in person at the Meeting, please contact your broker or agent well in advance of the Meeting to determine how you can do so.

Beneficial Unitholders should note that only proxies deposited by Unitholders whose names appear on the records of the Fund as the registered holders of Units can be recognized and acted upon at the Meeting. All of the Units are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited ("CDS")). CDS maintains books showing through which of its participants, such as investment dealers or brokers, the Units are owned. Investment dealers and brokers maintain their own records showing the Beneficial Unitholders of such Units by their clients. Units held by CDS can be voted only upon the instructions of the Beneficial Unitholder. Without specific instructions, CDS and its participants are prohibited from voting Units for their clients. The Administrator does not know for whose benefit the Units registered in the names of CDS are held. Therefore, Beneficial Unitholders cannot be recognized at the Meeting for purposes of voting their Units in person or by way of proxy unless they comply with the procedure designated below.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Unitholders in advance of Unitholder's meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Unitholders in order to ensure that their Units are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Unitholder by its broker is identical to that provided to CDS. However, its purpose is limited to instructing the registered Unitholder how to vote on behalf of the Beneficial Unitholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communications ("ADP"). ADP typically prepares a voting instruction form (the "Voting Form") which it mails to the Beneficial Unitholders and asks Beneficial Unitholders to return the Voting Form directly to ADP. ADP then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Units to be represented at the Meeting. A Beneficial Unitholder receiving a Voting Form cannot use that Voting Form to vote Units directly at the Meeting. The Voting Form must be returned to ADP well in advance of the Meeting in order to have the Units voted.

IF YOU WISH TO VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

Quorum for Meeting

At the Meeting, a quorum shall consist of two or more persons either present in person or represented by proxy and representing in the aggregate not less than 25% of the outstanding Units and Preference Shares. If a quorum is not present at the Meeting within one half hour after the time fixed for the holding of the Meeting, it shall stand adjourned to such day being not less than 14 days later and to such place and time as may be determined by the Chair of the Meeting. At such Meeting, the Unitholders present either personally or by proxy shall form a quorum.

Notes:

(1) The salary for each Named Executive Officer reflects his or her salary on an annualized basis for the years ended March 31, 2005, 2006 and 2007.

(2) Ms. MacDonald and Mr. Mulcahy became officers of OESC on April 30, 2001. Prior thereto, each of them held the same or similar positions with OESC or its predecessor. Effective April 1, 2005 Ms. MacDonald became Executive Chair of OESC and Mr. Mulcahy became Chief Executive Officer. Mr. Hartwick became Chief Financial Officer on April 5, 2004 and was appointed President of OESC on March 9, 2006. Ms. Meffe joined OESC on June 18, 2001 as Director of Finance, was appointed Vice President Finance on November 4, 2004 and became Chief Financial Officer on March 9, 2006. Mr. Neylan joined OESC on May 9, 2005 as Senior Counsel

and was appointed Vice-President and General Counsel on April 1, 2006 and Senior Vice President and General Counsel on April 1, 2007.

(3) With the confirmation and approval of the Compensation and Human Resources Committee, each of the Named Executive Officers received a short-term discretionary performance bonus pursuant to each of their employment agreements based on several performance factors including, but not limited to: (i) U.S. and Canadian customer growth, (ii) margins, (iii) distribution levels, (iv) distributable cash, (v) customer renewals, (vi) customer attrition and other factors as determined by the Compensation and Human Resources Committee and, commencing April 1, 2006, incremental adjusted distributable cash flow. Four of the Named Executive Officers received a long term incentive bonus opportunity based on incremental adjusted distributable cash flow payable entirely in UARs. See notes (9) and (10) below and "Unit Appreciation Rights" on page 9. A detailed summary of the current employment agreements for the Named Executive Officers for the five year period commencing April 1, 2006 are described under the heading "Employment Agreements — Named Executive Officers" on page 10 of this Information Circular. Each of Ms. MacDonald and Meffe and Messrs. Mulcahy and Hartwick elected to receive 100% of their short-term discretionary performance bonuses for the period ending March 31, 2006 in fully paid UARs which were valued at $18.81 each, equal to the simple average TSX closing market price of Units for the 30 trading days preceding March 31, 2006. For the year ending March 31, 2007, each of Ms. MacDonald and Mr. Mulcahy elected to receive 100% of their short term discretionary bonus in fully paid UARs which were valued at $12.80 each, equal to the simple average TSX closing market price of Units for the 30 trading days preceding March 31, 2007. As required by their employment agreements each of Mr. Hartwick and Ms. Meffe received 50% of their respective March 31, 2007 short term discretionary bonus in fully paid UARs.

(4) The aggregate value of perquisites and other personal benefits did not exceed the lessor of $50,000 and 10% of the total of the annual salary and bonus for each of the Named Executive Officers for the year ended March 31, 2007.

(5) Pursuant to the OESC Shareholders' Agreement, each member of management of OESC who is a holder of Preference Shares in the capital of OESC i.e., Ms. MacDonald and Mr. Mulcahy (each Preference Share is exchangeable at the option of the holder into one Unit of the Fund), is entitled to receive on a quarterly basis, a "special management incentive bonus" equal to the amount which he or she would have received had he or she been a holder of record on the record date for all distributions made on Units in respect of such quarter, on a number of Units equivalent to the number of Preference Shares held by him or her. In view of the nature of the above payments made to the above Named Executive Officers, which in substance reflect the ownership of Units (based on the number of Preference Shares owned by each them in OESC), the above table does not reflect the amounts paid to each of them pursuant to the special management incentive bonus.

(6) Pursuant to the terms of their employment agreements (which terminated on March 31, 2006 and which were replaced by the agreements referred to under the heading "Employment Agreements — Named Executive Officers" commencing on page 10 of this Information Circular): (a) each of Ms. MacDonald and Mr. Mulcahy became entitled to a unit performance bonus of $400,000 for the year ending March 31, 2006 on the basis that the simple average closing market price for Units on the TSX for the 30 trading days preceding March 31, 2006 exceeded $18.00. Each bonus was payable as to 100% in fully paid UARs (described under the heading "Unit Appreciation Rights Plan" on page 9 of this Information Circular) — (the "UAR Amount"). All 21,265 fully paid UARs (valued at $18.81 each) to which each of them became entitled as part of the UAR Amount vested as to 33⅓% thereof on March 31, 2007 and will vest as to ⅓ thereof on each of March 31, 2008 and 2009 so long as each of them remains a senior officer of OESC or any affiliate thereof, in each case, on the applicable vesting date; and (b) each of Ms. MacDonald, Mr. Mulcahy, Mr. Hartwick and Ms. Meffe became entitled to a fixed long term incentive bonus for the year ending March 31, 2007 based on incremental adjusted distributable cash flow payable entirely in UARs effective March 31, 2007 (the "Grant Date") vesting as to ⅓ thereof on each of the first three anniversary dates of the Grant Date subject to continued employment as a senior officer of OESC or any affiliate thereof, in each case, on the applicable vesting date. See pages 10 - 13 of this Information Circular,

(7) Each of Messrs. Hartwick and Neylan and Ms. Meffe (along with 20 additional employees) received a retention bonus effective March 31, 2007 (the "Grant Date") payable entirely in fully paid UARs vesting as to ⅓ thereof on the first three anniversaries of the Grant Date providing on the applicable vesting date subject to continuing employment on each vesting date as a senor officer of OESC or an affiliate thereof. See "Report on Executive Compensation on pages 13, 14 and 15 of this Information Circular.

(8) This amount reflects the number of unexercised and unvested options held at March 31 in each of the indicated years. Options vest over three or five years from the grant date and expire five or ten years from the grant date. The number of options in the above Table reflects the 2:1 subdivision of Units on July 29, 2002 and the subsequent 2:1 subdivision of Units on January 30, 2004. The Fund's Unit Option Plan is described under the heading "Fund Unit Option Plan" on page 8 of this Information Circular.

(9) Each Named Executive Officer (other than Mr. Neylan), is required to take a certain percentage of the short-term discretionary performance bonus entitlement (including as regards Ms. MacDonald and Ms. Meffe and Mr. Mulcahy and Mr. Hartwick) and 100% of their long term incentive bonus opportunity described in note (6) above) in UARs as described in more detail under "Employment Agreements — Named Executive Officers" on pages 10 - 13 of this Information Circular. For the year ending March 31, 2005, each of Ms. MacDonald and Mr. Mulcahy elected to take 100% of each of their short term discretionary performance bonus entitlements in fully paid UARs. For the year ending March 31, 2006, each of Ms. MacDonald, Mr. Mulcahy and Mr. Hartwick elected to receive 100% of their short-term discretionary performance bonus entitlement (including as regards the Unit Performance Bonus to which each of Ms. MacDonald and Mr. Mulcahy were entitled), in fully paid UARs. Ms. Meffe received 15% of her $85,000 short-term discretionary performance bonus for the year ended March 31, 2006 in the form of fully paid UARs (678 UARs). For the year ending March 31, 2007, each of Ms. MacDonald and Mr. Mulcahy elected to receive 100% of their short-term discretionary performance bonus entitlement in fully paid UARs. Each of Ms. Meffe and Mr. Hartwick received 50% of their short term discretionary performance bonus, as required, for the year ending March 31, 2007 in fully paid UARs. The fully paid UARs do not reflect additional compensation for Ms. MacDonald

and Ms. Meffe and Messrs. Mulcahy and Hartwick, but rather bonus rewards required and/or elected to be received by them in the form of fully paid UARs.

(10) In accordance with terms of their employment agreements and pursuant to elections made pursuant thereto, fully paid UARs representing March 31, 2005, 2006 and 2007 bonuses were issued to each of the above Named Executive Officers in the numbers and at the prices per UAR as disclosed. See "Unit Appreciation Rights Plan" on page 9 of this Information Circular for a further description of UARs. The fully paid UARs do not reflect additional compensation but rather bonus rewards required and/or elected by the Named Executive Officers to be received in the form of fully paid UARs.

(11) This amount reflects the interests of Messrs. Hartwick and Neylan and Ms. Meffe's in the Fund's Deferred Profit Sharing Plan and the Employee's Profit Sharing Plan (both of which are described in more detail under the heading "Report on Executive Compensation" on pages 13, 14 and 15 of this Information Circular) as at March 31, 2005, 2006 and 2007. None of the other Named Executive Officers participate in the plans.

(12) Total compensation reflects the aggregate of (i) base salary, (ii) short term discretionary performance bonus, (iii) long term incentive bonus, (iv) retention bonus and (v) other compensation on the basis that all UARs received in lieu of cash are valued at the relevant year end.

(13) The total value of all Units, UARs (vested and unvested) and Class A Preference Shares (which are exchangeable into Units of the Fund on a 1:1 basis) held by the Executive Chair, the Chief Executive Officer and the President of OESC, based on the TSX closing price of Units on May 17, 2007 of $15.25 is as follows:

Name of Holder	Units	Class A Preference Shares	UARs	Total Value

Brennan Mulcahy	1,222,000 ($15.25)	3,442,484 ($15.25)	144,574 ($15.25)	$73,338,135
Ken Hartwick	5,753 ($15.25)	NIL	85,747 ($15.25)	$ 1,395,375

Fund Unit Option Plan

The directors, officers, full-time employees and service providers of and to the Fund and OESC are eligible to participate in the Fund's 2001 Unit Option Plan (the "Option Plan"). The purpose of the Option Plan is to provide such eligible participants with financial rewards that will encourage ownership of Units, enhance OESC's and the Fund's ability to attract, retain and motivate key personnel and service providers and reward directors, officers, employees and service providers for significant performance and cash flow growth of the Fund. The Option Plan is administered by the Compensation and Human Resources Committee of OESC in its capacity as administrator of the Fund. The Compensation and Human Resources Committee has the power to, among other things: (i) determine those directors, officers, employees and service providers eligible to be granted options; (ii) determine the number of Units covered by each option; (iii) determine the exercise price for each option; and (iv) determine the time or times when options will be granted and when they are exercisable and expire. The exercise price for any option granted may not be less than the closing market price of the Units on the Toronto Stock Exchange on the business day immediately preceding the day upon which the option is granted. Except as described in Note (8) to the Summary Compensation Table on page 7 of this Information Circular or otherwise provided in individual option agreements approved by the Compensation and Human Resources Committee, holders of options may exercise them at the applicable exercise price, subject to cancellation or acceleration in the event of termination of employment or death of the optionholder. Except as otherwise provided in individual option agreements approved by the Compensation and Human Resources Committee, options granted under the Option Plan are non-transferable, non-assignable and, except as described in Note (8) to the Summary Compensation Table on page 6 of this Information Circular, expire five or ten years from their grant date. At March 31, 2007, 812,666 options were available for grant under the Option Plan (less than 1% of the outstanding Units and Preference Shares).

Under the Option Plan and applicable option and employment agreements for the Named Executive Officers, all options will automatically vest immediately: (i) prior to the occurrence of a "Change of Control" of the Fund as defined under the heading "Employment Agreements — Named Executive Officers" on pages 10 - 13 of this Information Circular, (ii) upon dismissal without cause or constructive dismissal or (iii) in some cases, at the end of the term of an employment agreement if a further employment agreement on no less favourable terms from a commercial standpoint is not made available or offered to certain employees of OESC or an affiliate thereof.

Options Granted for Year Ended March 31, 2007

A total of 145,000 options have been granted to directors, officers, employees and service providers of OESC for the one year period ending March 31, 2007 to acquire in the aggregate 145,000 Units on the dates, in the numbers, and at the exercise prices per Unit as set forth below:

Date of Option Grant	Exercise Price Per Unit	# of Options Granted
May 18, 2006	$16.65	70,000
June 29, 2006	$17.47	50,000
November 4, 2006	$17.15	20,000
February 27, 2007	$12.69	5,000

No options to acquire Units of the Fund were granted to the Named Executive Officers for the year ended March 31, 2007.

Option Exercises and Financial Year End Value of Options

The following table sets forth the number of Units acquired pursuant to the exercise by the Named Executive Officers, if any, of unit options during the fiscal year ended March 31, 2007, the aggregate value realized upon any such exercise, and the number of Units covered by unexercised options under the Option Plan as at March 31, 2007. The value of the unexercised in-the-money options is the difference between the exercise price of the options and the fair market value of the Units on March 31, 2007 which was $12.90 per Unit:

Name	Units of the Fund Acquired on Exercise	Aggregate Value Realized(1)	Unexercised Options at March 31, 2007		Value of Unexercised in-the-Money Options at March 31, 2007(1)	
			Vested	Not Vested	Vested	Not Vested
Mary Meffe	Nil	Nil	6,000	24,000	Nil	Nil
Ken Hartwick	Nil	Nil	40,000	110,000	Nil	Nil
Mike Neylan	Nil	Nil	5,000	20,000	Nil	Nil

Note:

(1) The aggregate value realized is equal to the number of units acquired on exercise times the difference between the amount realized on the sale thereof less the exercise price.

The in-the-money value of the unexercised Unit options has been calculated using the closing price of $12.90 for the Units of the Fund on the Toronto Stock Exchange on March 31, 2007, less the applicable exercise price of underlying Unit options.

Unit Appreciation Rights Plan

As described under the headings “Employment Agreements — Named Executive Officers” and “Report on Executive Compensation” on pages 13, 14 and 15 of this Information Circular, in lieu of granting options under the Fund’s 2001 Unit Option Plan, a specified minimum percentage of the short-term discretionary bonuses, unit performance bonuses and long-term incentive bonuses to which four of the Named Executive Officers and certain other employees of, and consultants to, OESC are entitled (individually an “UAR Grantee”), are payable in fully paid UARs which vest at various dates (the “Vesting Dates”), ranging from immediately on the grant date to five years from the grant date (the “Grant Date”), providing that on applicable Vesting Dates the UAR Grantee continues to be an employee with or consultant to OESC or an affiliate thereof. The Unit Appreciation Rights Plan (the “UAR Plan”) is an umbrella plan which governs: (a) UARs previously granted to an UAR Grantee under employment agreements referred to under the heading “Employment Agreements — Named Executive Officers” on pages 10 - 13 of this Information Circular and (b) the grant of fully paid UARs to employees of and consultants to OESC and its subsidiaries which UARs may vest immediately or on a cumulative basis over a period of one to five years from the Grant Date. Fully paid UAR’s are, subject to vesting, exchangeable into fully paid Units of the Fund on a cumulative basis for terms ranging up to 10 years, on the basis of one Unit for each fully paid UAR. The number of fully paid UARs to which an UAR Grantee is entitled is determined on the relevant Grant Date by dividing the specified percentage of the amount of the short-term discretionary bonus, unit performance bonus or long-term incentive bonus to which such Grantee is entitled and/or elects to receive, and which is payable in fully paid UARs, by the simple or weighted average of the closing market price of Units on the TSX for periods ranging between 10 and 30 days for UARs granted prior to June 30, 2004, and, unless otherwise provided by the Compensation and Human Resources Committee and/or the Board of Directors, 30 days for all other UARs, in each case, prior to the Grant Date. Pending the exchange of fully paid UARs for Units, the Grantee of UARs is entitled to receive monthly cash payments from OESC equal to the monthly distributions such Grantee would otherwise be entitled to receive if the UARs were Units, less any applicable withholdings or other tax. All outstanding UARs, whether or not vested, automatically vest on the happening of certain events including a change of control, dismissal without cause or constructive dismissal and the inability, in certain circumstances, of OESC (or an affiliate thereof) and a Named Executive Officer to settle upon a further employment arrangement at the end of term. UARs do not carry the right to vote. The total number of Units which may be made available to any UAR Grantee under the UAR Plan together with any Units reserved for issuance under options or warrants for services and employee unit purchase plans or any other unit compensation arrangements to such UAR Grantee may not exceed 5% of the issued and outstanding Units and Class A Preference Shares of OESC at the Grant Date.

The UAR Plan is administered by the Compensation and Human Resources Committee which has broad powers respecting the granting, vesting, term and allocation of UARs and to interpret the UAR Plan. The aggregate number of UARs which may be granted under the UAR Plan is limited to one million which, when issued and vested, are exchangeable, on a one for one basis, into an equal number of fully paid and non-assessable Units.

The UAR Plan was introduced to replace the granting of options to senior executives of OESC and its affiliates and to provide a mechanism to ensure that all or a significant portion of the short-term discretionary performance bonuses, Unit performance bonuses and long-term incentive bonuses payable to senior officers (including the Named Executive Officers), are payable in fully paid UARs many of which vest over a period of two to five years subject to continued employment on applicable vesting dates, in lieu of cash, thereby encouraging the employee recipients thereof to continue in the long-term employment of the Fund, while aligning their interests to those of Unitholders. The Fund is seeking Unitholder approval to amend the UAR Plan. See "Special Item of Business" on page 19 of this Information Circular and Schedule D.

Employment Agreements — Named Executive Officers

The Summary Compensation Table, including the notes thereto on pages 5 to 8 of this Information Circular, summarizes the principal compensation arrangements with respect to the employment contracts for all Named Executive Officers which became effective March 9, 2006 and April 1, 2006.

Between March 9, 2006 and April 1, 2006, OESC entered into new five year employment agreements with each of Ms. Rebecca MacDonald (as Executive Chair of OESC), Mr. Brennan Mulcahy (as Chief Executive Officer of OESC), Mr. Hartwick (as President of OESC) and Ms. Meffe (as Chief Financial Officer of OESC).

Under the terms of the employment agreements referred to above and described below in greater detail, each executive is retained for a five year period subject to various termination provisions described below. In consideration for their services each executive is entitled to a base salary, various fringe benefits, and various short-term discretionary performance and long-term incentive bonuses and UAR entitlements described below.

Each of the above employment agreements contains: (i) confidentiality and non-disclosure provisions which apply for periods ranging from a minimum of three and four years after termination, (ii) non-competition and non-solicitation covenants which apply to the Fund's business for a period of three years after termination, provided the period is abridged or eliminated in the case of: (a) termination without cause or constructive dismissal to one year, (b) failure to renew upon completion of the term in certain circumstances to one or three years and (c) a change of control and (iii) termination provisions which, generally speaking, provide benefits as described below. In the event of termination without cause, constructive dismissal or in certain circumstances the failure to renew upon expiry of the term, an employee is entitled, *inter alia*, to one years' base salary and regular benefits, the automatic or continued vesting of 100% of all of an employee's unvested options, the automatic or continued vesting of 100% of all unvested UARs and in certain circumstances a portion of an employee's short-term and long-term incentive bonus opportunity. In the event of an indirect or direct "Change of Control" of OESC, each of the above officers has the right, within 60 to 120 days thereof, to terminate his or her employment agreement and to receive on such termination, generally, the same benefits to which he or she would have been entitled in the event of dismissal without cause or constructive dismissal and an automatic vesting of all unvested options and all unvested UARs. The accelerated vesting of the options and UARs referred to above also applies to all unvested options and all unvested UARs, if any, granted to a Named Executive Officer pursuant to option, UAR and employment agreements, to which they were parties prior to April 1, 2006.

A "Change of Control" is deemed to have occurred under the Option Plan and each of the above employment agreements if: (a) any individual, partnership, firm, corporation, association, trust, unincorporated organization or other entity, or any syndicate or group acting or presumed to be acting jointly or in concert, offers to acquire or acquires, directly or indirectly, Units representing 50% or more of the outstanding Units; (b) assets of the Fund representing 50% or more of the net book value of the Fund, determined as of the date of the audited financial statements of the Fund then most recently published, are sold, liquidated or distributed; or (c) Unitholders approve, or the Fund consummates, any reorganization, amalgamation, arrangement, merger, business combination, consolidation, issuance of securities, sale of assets, liquidation, dissolution or winding-up, or any combination thereof (a "transaction"), and, as a result thereof, persons who are Unitholders immediately prior to such transaction would not, immediately thereafter, directly or indirectly, own securities representing de facto control of the reorganized, amalgamated, continuing, merged, surviving or consolidated entity.

Effective April 1, 2006, each of the four Named Executive Officers, parties to the above referenced five year employment agreements (all Named Executive Officers at March 31, 2007) is entitled to a long-term incentive bonus based upon the percentage increase, year over year, of "adjusted distributable cash flow".

The following Table indicates the long-term incentive bonus to which each of the listed Named Executive Officers may become entitled to receive in each of the five years ending March 31, 2011 depending upon the percentage increase in adjusted distributable cash flow which is defined, with respect to a financial year of the Fund as an amount equal to the distributable cash for such financial year (i.e. seasonally adjusted gross margin, adjusted for cash items including general and administrative expenses, marketing expenses, capital tax, bad debts, other income/expenses and corporate taxes), plus all direct commissions paid to the Fund's selling agents for such financial year less all distributable cash relating to any acquisition made, directly or indirectly, by the

Fund, of energy contracts or other assets but including all distributable cash relating to the renewal by the Fund of energy contracts purchased pursuant to any such acquisition, all as derived or determined from the year end audited consolidated audited financial statements for the Fund as approved by the Board of Directors.

Note:

(1) Entitlement terminates March 31, 2008.

In the event of a Change of Control or constructive dismissal including dismissal without cause, each of the above Named Executive Officers in the above Table is entitled to a pro rata portion of the % increase of adjusted distributable cash flow for the year in which such an event occurs.

Effective April 1, 2006 Ms. MacDonald continued as Executive Chair of OESC and each of its affiliated entities for a minimum two year period at an annual base salary of $500,000 and a short-term discretionary performance bonus opportunity of up to $500,000 a year payable as to a minimum of 50% in fully paid UARs (the "UAR Amount") and 50% in cash or fully paid UARs, or some combination thereof at her election (the "Cash Amount"). The UARs issuable pursuant to the UAR Amount will vest as to ⅓ thereof on the first, second and third anniversary of the applicable grant date so long as Mr. Hartwick remains as a senior officer of OESC or an affiliate thereof on the relevant vesting date and the UARs issuable pursuant to the Cash Amount, if any, will vest immediately. So long as Mr. Hartwick remains a senior officer of OESC or an affiliate thereof he will be entitled to a long-term incentive bonus on March 31 for each of the years ending March 31, 2008 to 2011 (each a "Grant Date") in one of the amounts set forth below his name in the Table on page 11 hereof depending on the percentage increase in adjusted distributable cash flow payable as to 100% in fully paid UARs vesting as to ⅓ thereof on the first, second and third anniversary of each Grant Date (a "Vesting Date") so long as Mr. Hartwick continues on the applicable Vesting Date to be a senior officer of OESC or an affiliate thereof. All 5,306 fully paid UARs to which Mr. Hartwick became entitled to receive on March 31, 2005 vested as to 50% thereof (2,653 UARs) on each of March 31, 2006 and March 31, 2007. Mr. Hartwick made an election so that 100% of his March 31, 2006 short-term discretionary performance bonus and special bonus totalling $287,500 was payable in 15,285 UARs of which 10,301 fully paid UARs vested on March 31, 2006 and the balance thereof (4,984 UARs) as to 50% thereof (2,492 UARs) vested on March 31, 2007 and will vest as to 50% thereof on March 31, 2008. All 34,796 UARs to which Mr. Hartwick became entitled to receive on March 31, 2007: (i) pursuant to his short term discretionary performance bonus (19,531 UARs) will vest as to one third thereof (6,510 UARs) on each of March 31, 2008, 2009 and 2010, (ii) pursuant to his long term incentive bonus (15,625 UARs) will vest as to ⅓ thereof on each of March 31, 2008, 2009 and 2010 and (iii) pursuant to his retention bonus (30,000 UARs) will vest as to ⅓ thereof (10,000 UARs) on each of March 31, 2008, 2009 and 2010 providing in all cases, on the applicable vesting date Mr. Hartwick remains a senior officer of OESC or an affiliate thereof.

Ms. Meffe continued her employment as Chief Financial Officer of OESC commencing March 10, 2006 for a period of five years ending March 31, 2011 pursuant to an employment agreement dated April 1, 2006. Ms. Meffe's compensation consists of: (i) an annual base salary of $250,000, (ii) a short-term discretionary performance bonus of up to 100% of base salary for each completed year of her employment commencing with the year ending March 31, 2007 payable as to a minimum of 50% in UARs (the "UAR Amount") and 50% in cash or fully paid UARs or some combination thereof at her election (the "Cash Amount"). The UARs issuable pursuant to the UAR Amount will vest as to ⅓ thereof on each of the first, second and third anniversary of the applicable grant date so long as she remains a senior officer of OESC or an affiliate thereof on the relevant vesting date and the UARs issuable pursuant to the Cash Amount, if any, will vest immediately. So long as Ms. Meffe remains a senior officer of OESC or an affiliate thereof she will be entitled to a long-term incentive bonus, if any, on March 31 in each of the years 2008 to 2011 (each a "Grant Date") in one of the amounts set forth below her name in the Table on page 11 hereof based on the percentage increase in year over year adjusted distributable cash flow payable as to 100% in fully paid UARs (described under the heading "Unit Appreciation Rights Plan" on page 9 of this Information Circular) vesting as to ⅓ thereof on the first, second and third anniversary of each Grant Date (each a "Vesting Date") so long as Ms. Meffe remains a senior officer of OESC or any affiliate thereof on the relevant Vesting Date. Ms. Meffe elected to receive 85% of her $85,000 March 31, 2006 short-term discretionary performance bonus in cash ($72,250) and $12,750 in fully paid (678) UARs vested as to one third thereof (226 UARs) on March 31, 2007 and which will vest as to one third thereof (226 UARs) on each of March 31, 2008 and 2009 so long as she remains a senior officer of OESC or an affiliate thereof the relevant Vesting Date. All 8,788 UARs to which Ms. Meffe became entitled to receive on March 31, 2007: (i) pursuant to her short term discretionary performance bonus (4,882 UARs), (ii) pursuant to her long term incentive bonus (3,906 UARs) and (iii) pursuant to her retention bonus (5,400 UARs) will vest as to one third thereof (1,800 UARS) on each of March 31, 2008, 2009 and 2010 providing on each applicable vesting date Ms. Meffe remains as a senior officer of OESC or an affiliate thereof.

Mr. Neylan continued his employment as Vice President and General Counsel of OESC commencing April 1, 2006 pursuant to an employment agreement dated April 1, 2006. Mr. Neylan's compensation consists of: (i) an annual base salary of $250,000 commencing April 1, 2007 when he was appointed Senior Vice President and General Counsel and (ii) a short term discretionary performance bonus of up to 100% of base salary. Mr. Neylan's employment agreement contains a two year non-competition and non solicitation provisions, confidentiality provisions and resignation, constructive dismissal, dismissal for cause and Change of Control provisions not significantly dissimilar to those described above for the other Named Executive Officers. On March 30, 2007 Mr. Neylan received a bonus of 1,000 UARs and a retention bonus of 4,900 fully paid UARs vesting as to one third thereof (1,967 UARs) on March 31, 2008, 2009 and 2010 so long as he remains a senior officer of OESC or an affiliate thereof on the relevant vesting date.

The number of UARs which a Named Executive Officer is entitled to receive on a grant date is determined by reference to the simple average of the TSX closing market price on a number of trading days preceding the relevant grant date which for UARs issued pursuant to: (i) pre April 1, 2006 employment agreements is 30 trading days and (ii) post March 31, 2006 employment agreements for Named Executive Officers is 20 trading days.

The general guidelines to be used by the Compensation and Human Resources Committee in determining the amount of all short-term discretionary performance bonuses are set forth in Note (3) of the Summary Compensation Table on page 5 and below under the heading "Report on Executive Compensation". All base salaries for Named Executive Officers are subject to annual review by the Committee and each Named Executive Officer is required to hold a minimum equity position in the Fund in the form of Units and/or fully paid UARs.

Report on Executive Compensation

The compensation of the Named Executive Officers is set by the Compensation and Human Resources Committee of the Board of OESC (the "Committee"). The Committee's executive compensation philosophy is guided by its objective to obtain and retain executives critical to the success of OESC and the enhancement of Unitholder value. To this end, executive compensation includes: (i) a base salary, (ii) a short-term discretionary performance bonus based on achieving operating performance targets including U.S. and Canadian growth, distributable cash, distributions, margins, renewals, attrition and other performance factors and (iii) in the case of Ms. MacDonald and Ms. Meffe and Messrs. Hartwick and Mulcahy a long-term incentive bonus based upon incremental adjusted distributable cash flow. Unit options provide a longer-term incentive for executives to enhance Unitholder value. Each officer's performance and related salary level, short-term discretionary performance bonus, long-term incentive bonus and amount of Unit options is reviewed annually by the Committee in conjunction with the Executive Chair and the Chief Executive Officer of OESC whose latter compensation packages are subject to the approval of the Committee and the full Board of Directors. The requirement that four of five of the Named Executive Officers receive fully paid UARs as a component of their respective bonus and other entitlements aligns the interests of senior management with those of Unitholders and the Holders of Preference Shares.

A decision was made by the Committee in 2006 to replace the Unit Performance Bonus made available to Mr. Mulcahy and Ms. MacDonald for the year ended March 31, 2006 with a long-term incentive bonus as the latter bonus opportunity more closely aligns the interests of Unitholders with those of senior management.

A description of the executive compensation components is as follows:

Base Salary: The base salary of each executive is reviewable annually and recognizes the executive's experience, responsibility, contribution and intended performance and is targeted to the median of the market based on an analysis of the salaries for executives at comparable organizations. Base salaries also take into account the other components of an executive's total compensation package.

Short-Term Discretionary Performance Bonus: An annual short-term discretionary performance bonus may be granted by the Committee to each of the Named Executive Officer based on performance factors including the growth of the customer base, operating margins, distributable cash, distributions, renewals, expansion into new markets, customer attrition in the preceding year and the performance of each Named Executive Officer in the context of the duties and responsibilities of each of them in their respective employment contracts. Under four of the five year employment agreements referred to above, 50% of an employee's short-term discretionary performance bonus opportunity is payable in fully paid UARs. See below.

Unit Performance Bonus: In lieu of granting additional options in 2005 to the Executive Chair and Chief Executive Officer, the Committee structured a Unit Performance Bonus for two of its Named Executive Officers (the Executive Chair and the Chief Executive Officer of OESC) the amount of which was based on an increase in the market price of Units of the Fund and to be paid entirely in fully paid UARs vesting over a three year period subject to continued employment. The Committee concluded that the payment over the long-term of bonuses based on incremental adjusted distributable cash flow to executive management better aligned the interest of the Unitholders and the Holders of Preference Shares with those of executive management and accordingly, commencing April 1, 2006 replaced the Unit Performance Bonus with a bonus based on incremental adjusted distributable cash.

Long-Term Incentive Opportunity — Incremental Adjusted Distributable Cash Flow: To replace the Unit Performance Bonus and to further align the interests of executive management with those of Unitholders who have an interest in the maintenance of and increases in the amount of distributions on Units, the Committee introduced the long-term incentive bonus plan which is based on incremental adjusted distributable cash flow which is one of the principal drivers in determining the level of distributions payable by the Fund on its Units. The plan is described in greater detail on page 11 of this Information Circular.

Fund Option Grants: The Committee is responsible for awarding options to directors and employees pursuant to the Fund's 2001 Unit Option Plan. The option grants provide longer-term incentive to pursue significant performance for OESC and cash flow growth for the Fund. As at March 31, 2007 the Fund has 812,666 remaining options available for grant under the Plan. The Committee has no plans to increase the number of options under the Plan. Except for 50,000 options made available to The Honourable Gordon Giffin on his election to the Board of Directors of OESC on June 29, 2006, the Committee has no present plans to award additional options to directors or Named Executive Officers.

Employee Loans: The Committee has established a policy to prohibit loans to employees or directors.

UARs: The Committee has awarded fully paid UARs to the Named Executive Officers pursuant to their employment agreements and the Unit Appreciation Rights Plan (described under the heading "Unit Appreciation Rights Plan" on page 9 in this Information Circular). The Committee has used and will continue to use fully paid UARs to provide the Fund with a mechanism of capitalizing payments which senior executives of the Fund would otherwise receive in the form of cash as part of their short-term discretionary performance bonus, long-term incentive bonus, marketing fees or commissions and other compensation entitlements into Units thereby encouraging such persons to continue in the long-term service of the Fund and aligning the interests of all Named Executive Officers with holders of Units of the Fund. For four of the five Named Executive Officers, at least 50% of all short-term discretionary performance bonuses and 100% of all long-term incentive bonuses are payable in fully paid UARs which, except for those granted based on an employee's election to receive UARs in lieu of a cash entitlement, require an employee to remain with OESC or an affiliate thereof for various periods of time ranging from one to three years from the grant date as a condition precedent to the vesting and the right to exchange vested UARs into Units.

Retention UARs: Because of the competitive nature of the Fund's business and employee mobility in the Fund's business sector, to encourage employee retention the Committee awarded additional bonuses for the year ended March 31, 2007 in the form of fully paid UARs vesting over a three year period providing on the relevant vesting day the grantee remains an employee of OESC or an affiliate thereof. While Ms. MacDonald and Mr. Mulcahy declined any retention UARs, a total of 41,300 fully paid UARs were granted to the other three Named Executive Officers.

Employee Benefit Plans: On October 1, 2004 and effective April 1, 2004, the Fund established a long-term incentive plan (the "Plan") for all permanent full time and part time Canadian employees (working more than 20 hours per week) of its affiliates and subsidiaries. The Plan consists of two components, a Deferred Profit Sharing Plan ("DPSP") and an Employee Profit Sharing Plan ("EPSP"). For participants of the DPSP, the Fund contributes an amount equal to a maximum of 2% per annum of an employee's base earnings. For the EPSP, the Fund contributes an amount up to a maximum of 2% per annum of an employee's base earnings towards the purchase of Units, on a matching one for one basis.

Participation in either plan is voluntary. The plan has a two year vesting period beginning from the later of the plan's effective date and the employee's starting date. The cost of the Fund's contribution to the plan is expensed as services are rendered by each employee. Messrs. Hartwick and Neylan and Ms. Meffe are the only Named Executive Officers who have elected to benefit under the Plan. See note (11) to the Summary Compensation Table on page 7 of this Information Circular.

Compensation matters relating to each of the Executive Chair and the Chief Executive Officer are approved by the Board of Directors on the recommendation of the Committee. Each of Ms. MacDonald and Mr. Mulcahy entered into employment agreements with OESC on February 1, 2001 which were each amended on February 12, 2004 and February 25, 2005 and replaced with five year employment agreements commencing April 1, 2006. See "Employment Agreements — Named Executive Officers" on pages 10 - 13 of this Information Circular. In consideration for their services for the year ended March 31, 2007, each of Ms. MacDonald and Mr. Mulcahy received a base salary, various fringe benefits, a discretionary performance bonus (based on the factors set forth elsewhere in this Information Circular), and a long term incentive bonus all as described under the Summary Compensation Table on pages 6 - 7 of the Information Circular. See pages 10 to 13 of this Information Circular.

MATTERS TO BE ACTED UPON AT THE MEETING

Election of Directors of Ontario Energy Savings Corp.

OESC has a Board of Directors (the "Board"), which presently consists of seven members all of whom with one additional nominee director, are standing for election and eight of whom are being elected by the Trustee as directed, as the holder of all the common shares of OESC and by the Holders of Preference Shares.

The following persons are the nominees proposed by the Administrator on behalf of the Fund for election as directors of OESC to serve until the next annual meeting of Unitholders or until their successors are duly elected or appointed. The OESC Shareholders' Agreement provides that at all times a majority of the directors of OESC shall be persons who are not officers or employees of OESC or any affiliate or subsidiary thereof or persons who beneficially own, directly or indirectly, or who exercise control or direction over Units representing more than 10% of the outstanding Units on a fully diluted basis (including Preference Shares) or directors or officers of any such person or any affiliate or subsidiary thereof. For these purposes any person who beneficially owns or exercises control or direction over Preference Shares shall be considered to beneficially own or exercise control or direction over the number of Units which would be received on the exercise of shareholder exchange rights in respect of the Preference Shares beneficially owned by him or over which he exercises control or direction. If any vacancies occur in the slate of such nominees because any nominee is unable to serve or will not serve, discretionary authority conferred by the proxies appointing the Fund nominees will be exercised to grant approval to the Trustee to cause the Administrator to vote for the election of any other person or persons nominated by the Trustee. The names of the nominees for election as directors, principal occupations, year in which each became a director of OESC and the number of Units and Deferred Units of the Fund and Preference Shares beneficially owned or over which control or direction is exercised by such persons, are as follows:

Notes:

(1) Member of the Audit Committee. Mr. Kirby is the Chair.

(2) Member of the Compensation and Human Resources Committee. Mr. Smith is the Chair.

(3) Member of the Nominating and Corporate Governance Committee. Mr. Segal is the Chair.

(4) Includes Units issuable on the exercise of shareholder exchange rights attaching to Preference Shares pursuant to the OESC Shareholders' Agreement.

(5) Appointed lead director by the Board of Directors on January 17, 2005.

(6) As indicated under the heading "Compensation of the Directors "on page 4 of this Information Circular, for the year of the Fund ending March 31, 2007, the non-management directors of OESC were entitled to elect to receive all or a portion of their director's fees in fully paid Deferred Units payable at the end of each quarter of the Fund, pursuant to the Directors' Deferred Unit Compensation Plan (the "Director's Plan). The purpose of the Director's Plan is to provide effective incentives for the independent directors to promote the business and success of the Fund by encouraging the ownership of Units. The Deferred Units, which are credited to a director's Deferred Unit account at the end of each quarter during each fiscal year of the Fund (the "Grant Date"), and which are based upon the weighted average trading price of Units for 10 trading days on the TSX preceding the end of each quarter of the Fund's fiscal year, may not be issued to such director until the earlier of: (i) the termination of three years from the Grant Date, (ii) the day such director ceases to be a director of OESC and (iii) a change of control, providing that no Units may be issued after the expiry of 10 years from the Grant Date. Directors may elect to receive, but are not required to elect to receive, all or part of their compensation in the form of Deferred Units.

The price used to determine the number of notional Units granted to directors pursuant to the Plan for the year ending March 31, 2007 was: $17.08 for the quarter ended June 30, 2006; $17.10 for the quarter ended September 30, 2006; $13.46 for the quarter ended December 31, 2006 and $13.04 for the quarter ended March 31, 2007 based on the simple average closing price of Units on the TSX for the 10 trading days preceding each quarter end of the Fund.

The total number of Units issuable pursuant to the Director's Plan may not exceed 100,000. As at March 31, 2007 the non-management directors owned a total of 22,955 Deferred Units allocated as to 2,723 to Michael Kirby; 2,961 to Hugh Segal; 10,675 to Brian Smith; 4,093 to Gordon Giffin and 2,483 to John Brussa. The number of Deferred Units to which a director is entitled to receive is increased pursuant to a formula in the Director's Plan reflecting the amount of the distributions which a director would have received if he held Units in lieu of Deferred Units.

Each of Rebecca MacDonald and Brennan Mulcahy has received fully paid UARs as part of and in lieu of cash bonuses payable to them on March 31, 2005, 2006 and 2007. All UARs held by them are governed by their employment agreements and the Fund's 2004 UAR Plan described on page 9 of this Information Circular and are exchangeable 1:1 into Units of the Fund. Neither the Deferred Units nor the UARs carry the right to vote.

(7) Each director is required to hold a minimum number of Units of the Fund (including UARs and Deferred Units) equal to at least two times the base retainer.

Each of the foregoing persons has held the same principal occupation or other positions with the same employer for the previous five years except as follows:

Rebecca MacDonald became an officer of OESC in January 2000. A member of the Senate of Canada between 1984 and October 2006, The Honourable Michael Kirby served as Chair of the Standing Senate Committee on Banking, Trade and Commerce from 1994 to 1999 and until October 2006 served as Chair of the

Standing Senate Committee on Social Affairs, Science and Technology. The Honourable R. Roy McMurtry was appointed Chief Justice of Ontario on February 20, 1996 and will retire at age 75 on May 31, 2007.

Brennan Mulcahy has been employed in management positions by OESC and its predecessors since its inception in July 1997. The Honourable Hugh D. Segal is a Senior Fellow, School of Policy Studies, Queen's University and, prior to November 1998, he was an Associate of Gluskin Sheff & Associates Inc. (investment counsel). Mr. Segal served as President, Institute for Research on Public Policy (research institute) until May 31, 2006. He was appointed to the Senate of Canada on August 2, 2005 and currently is a member of the Committees on Aboriginal Peoples, Agriculture and Forestry and Foreign Affairs and International Trade. The Honourable Gordon D. Giffin served as the United States Ambassador to Canada from August, 1997 to April, 2001 after which he returned, as a senior partner, to McKenna, Long & Aldridge LLP (law firm).

The information as to Units, Preference Shares, Deferred Units and UARs beneficially owned or controlled, directly or indirectly, not being within the knowledge of the Administrator, has been furnished by the respective nominees individually.

Appointment of Auditors of the Fund

The Board of Directors propose that KPMG LLP be appointed as auditors of the Fund until the next annual meeting at such remuneration as may be approved by the Board of Directors.

Unless otherwise directed, the persons named in the form of proxy solicited by the Administrator will vote the Units and Preference Shares represented by proxy for the appointment of KPMG LLP as the independent auditors of the Fund, to hold office until the next annual meeting of Unitholders at a remuneration to be fixed by the Administrator. KPMG LLP have been auditors of the Fund since June 29, 2005.

In order to be effective, the resolution appointing KPMG LLP as auditors and authorizing the Directors to fix their remuneration, must receive the affirmative vote of a majority of the votes cast by Holders of Units and Preference Shares in person and represented by proxy.

The Board of Directors of OESC recommends a vote "FOR" the appointment of KPMG LLP as independent auditors for the Fund for the fiscal year ending March 31, 2008 and "FOR" authorizing the Board of Directors of OESC to fix the auditor's remuneration.

For fiscal 2007, fees charged by KPMG LLP for audit and related services to the Fund and its subsidiaries were $360,398 (2006 — $360,527). Fees for tax related services amounted to $21,000 (2006 — $15,750) and other fees were $24,000 (2006 — $nil). Total fees for fiscal 2007 were $405,398 (2006 — $376,277). No other services were provided to the Fund and its subsidiaries by KPMG LLP.

The Audit Committee has considered whether the magnitude and nature of these services is compatible with maintaining the independence of the external auditors and is satisfied that they are. All services provided by KPMG LLP require the approval of and were approved by the Audit Committee.

SPECIAL ITEM OF BUSINESS

General Background

At the Meeting, the holders of Units of the Fund and the holders of Class A Preference Shares of OESC will be requested to consider an ordinary resolution approving amendments to the Fund's 2004 Unit Appreciation Rights Plan (the "UAR Plan"), which was approved by the holders of Units of the Fund and the holders of Class A Preference Shares of OESC on June 29, 2004. The 2004 UAR Plan is described under the heading "Unit Appreciation Rights Plan" on page 9 of this Information Circular and is an integral component of the Fund's compensation policy for a large number of senior level employees of the Fund and its affiliates including the Named Executive Officers. See "Report on Executive Compensation — Unit Performance Bonus — UARs' on pages 13, 14 and 15 of this Information Circular.

In lieu of paying year end bonuses to which the Named Executive Officers are entitled to receive in cash at year end, their employment agreements require them to receive in lieu of cash, fully paid Unit Appreciation Rights based on a current 30 day simple average TSX market price for Units of the Fund — which, generally, vest over a period of three years providing on each applicable vesting date, the UAR grantee continues to be a senior officer of OESC or one of its affiliates. Accordingly the issue of UARs in lieu of cash bonuses is a useful retention technique and aligns the interests of employees with those of Unitholders. As authorized by the Plan, UARs are also granted on a similar basis to: (i) employees of the Fund and its affiliates below the level of the Named Executive Officers and (ii) service providers.

Proposed Amendment to the 2004 UAR Plan

If approved, the UAR Plan will be amended as follows:

(i) To increase the number of UARs which the Fund is authorized to issue by one million.

Since the 2004 UAR Plan was approved, the Fund has, up to March 31, 2007, granted 921,723 fully paid UARs of one million authorized UARs to eligible participants (which includes any senior officer, service providers or employee of the Fund or any Controlled Entity. Accordingly, the Fund is requesting the 2004 UAR Plan be amended to authorize the Fund to issue up to an additional 1,000,000 fully paid UARs and to make application to the TSX to list an equivalent number of Units; and

(ii) To clarify the amending provisions of the 2004 UAR Plan in accordance with TSX requirements.

The proposed amendment to Article 9 of the 2004 UAR Plan entitled "Amendment or Discontinuance of the Plan" will mean that the Board of Directors of OESC may amend or discontinue the 2004 UAR Plan, without the approval of Unitholders at any time with respect to actions described in Schedule D on page D1 of this Information Circular provided, however, that no such amendment may, without Unitholder approval: (i) increase the maximum number of Units that may be exchanged under the UAR Plan, (ii) change the 1:1 exchange ratio of UARs for Units, (iii) without the consent of a UAR Grantee, alter or impair any UAR previously granted to an UAR Grantee under the 2004 UAR Plan or (iv) extend the term of a UAR benefiting an insider of the Fund.

The proposed amendments are subject to the acceptance by the TSX.

The policies of the TSX require the amendment to the 2004 UAR Plan be approved by a majority of the votes cast at the Meeting other than votes attaching to Units and Preference Shares beneficially owned by insiders to whom UARs may be issued pursuant to the 2004 UAR Plan and associates of such insiders.

Ordinary Resolution

At the Meeting, Holders of Units and Preference Shares (other than those excluded from voting) will be asked to consider and, if deemed advisable, pass an Ordinary Resolution approving the amendments to the 2004 UAR Plan as described in Schedule D. SCHEDULE C

The Board of Directors of Ontario Energy Savings Corp. (“Energy Savings”) Board Mandate

— Supervising the Management of the Business and Affairs of Energy Savings —

Our Main Responsibilities

We provide the supervision necessary for:

1. **Disclosure of Reliable and Timely Information to Unitholders** — the Unitholders depend on us to get them accurate and relevant information.

2. **Approval of Strategy and Major Policy Decisions of Energy Savings** — we must understand and approve where Energy Savings is going, be kept current on its progress towards those objectives and be part of and approve any major decisions.

3. **Evaluation, Compensation and Succession for Key Management Roles** — we must be sure that the key roles have the right people, that they are monitored and evaluated by us and that they are appropriately compensated to encourage Energy Saving’s long-term success.

4. **Oversight of the Management of Risks and the Implementation of Internal Controls** — we must be satisfied that the assets of Energy Savings are protected and that there are sufficient internal checks and balances.

5. **Effective Board Governance** — to excel in our duties we need to be functioning properly as a Board — strong members with the right skills and the right information and generally to be responsible for the development of Energy Savings approach to corporate governance.

Independence is Key

The Board of Directors understands that we must be independent of the management of Energy Savings. To enhance our independence we have implemented the following:

- A majority of the members of the Board are independent
- All Committees are composed solely of non-management directors
- The Board and its Committees can meet independently of management at any time
- The Board and its Committees can hire their own independent advisors
- An independent lead Director with a clear mandate provides leadership for the independent directors
- A policy requires all Directors to hold deferred units or units as part of the Board retainer
- The provision of high-quality information for Directors — orientation for new directors, meaningful presentations, access to management and sufficient time to review material

We know independence requires more — it requires preparation for meetings, understanding the issues, strength, commitment, integrity and an inquiring mind.

Our Composition

Our number shall be as provided for in accordance with OESC’s By-laws from time to time and shall comply with the rules of board composition established by the Nominating and Corporate Governance committee of OESC. Each director shall possess the qualities set out in the Position Description for Directors and the Position Descriptions for Directors in their role as Chair of each Board Committee.

We will create Committees from time to time and will delegate certain functions to them. Each of these Committees has a written Mandate. These Mandates are reviewed on a regular basis and are updated and amended as often as needed to respond to the evolving regulatory and market environment in which Energy Savings operates.

Independent Functioning of Board and Committees

The Board is responsible for establishing the appropriate procedures to ensure that the Board, Committees and individual Directors can function independently of management to the extent considered necessary or desirable by Directors. The Board can retain independent professionals. Each Committee can retain and terminate independent professionals and each has the sole authority to approve all fees payable to an Independent professional. Any Director can retain an independent professional with the prior approval of the Nominating and Corporate Governance Committee. Each Committee and the Board can conduct all or part of any meeting in the absence of management, and it is the Board's policy to include such a session on the agenda of each regularly scheduled Board meeting.

Each Committee chair can also require the Corporate Secretary to convene a meeting of the Board or a Committee to be held in the absence of management or to reserve an agenda item at any Board or Committee meeting for business to be conducted in the absence of management. Each Director can request such a meeting or reserved agenda item by contacting a Committee Chair.

Meetings

The Board meets a minimum of four times per year. For regularly scheduled meetings, an agenda for each Board meeting and other documents for consideration are sent by courier to all Directors about one week in advance of each meeting. For special meetings of the Board, best efforts are made to distribute materials to the Directors as far in advance as practicable. A complete Board package, which includes all material for the meeting, is provided to each Director prior to the commencement of each meeting.

Specific Duties and Responsibilities

The Board has the following specific duties and responsibilities, which may be delegated to Committees of the Board, in whole or in part, with ongoing reporting by the Committees to the Board:

Strategic Planning

The Board is responsible for the strategy and fundamental goals of Energy Savings for all aspects of its undertaking. Internal Controls and Management Information Systems

The Board is responsible for overseeing and monitoring the integrity of Energy Savings' internal controls and procedures, management information systems and audit procedures, and overseeing the appropriate operation of Energy Savings including compliance with all applicable legal and regulatory requirements through financial and other management information systems, and appropriate inspection, compliance and control systems. The Board is responsible for ensuring that financial reporting and financial control systems are adequate and operating, and approving the quality and sufficiency of information provided to the Directors.

Communications Policy

The Board is responsible for establishing a communications policy for Energy Savings' and overseeing the maintenance of effective unitholder and stakeholder relations through Energy Savings' communications policy and programs so that accurate and timely material information is disseminated to and feedback is accommodated from unitholders.

Director Orientation and Assessment

The Board is responsible for ensuring there is an appropriate, formal orientation program for new directors and for assessing the effectiveness and contribution of the Board, Committees and all Directors annually. The Board is also responsible to ensure that the Directors have the necessary financial, energy, marketing, regulatory, human resource and compensation expertise.

Evaluation, Compensation and Succession Planning

The Board is responsible for overseeing the effective operation of Energy Savings by appointing, assessing performance of, compensating, disciplining and succession planning for all senior Energy Savings officers. The Board is responsible for ensuring the senior management team has the appropriate qualities and competencies to meet the expectations set by the Board. The Board is responsible for approving the compensation of the senior management team and the compensation policies of Energy Savings, including reviewing the adequacy and form of compensation of directors. The board is responsible for developing a position description for the Board members, the Executive Chair, the Chief Executive Officer, the Chief Financial Officer, the Lead Director, the Corporate Secretary and the Chair of each Board Committee which, together with other Board approved policies and practices, should provide for a definition of the limits to management's responsibilities. The Board is responsible for approving the objectives of Energy Savings to be met by the Chief Executive Officer.

General

The Board is responsible for monitoring the effectiveness of Energy Savings' corporate governance practices and approving any necessary changes, as required. The Board is responsible for establishing general Energy Savings policies and performing other tasks required by law. The Board is also responsible for ensuring compliance with and monitoring all policies approved by the Board including (i) the Code of Business Conduct and Ethics Policy and (ii) the Policy on Insider Trading, Communications and Confidentiality.
