

MANAGEMENT INFORMATION CIRCULAR

ANNUAL MEETING

OF

ENERGY SAVINGS INCOME FUND

TO BE HELD ON WEDNESDAY, JUNE 25, 2008

TORONTO, ONTARIO

MAY 15, 2008

May 15, 2008

Dear Unitholder:

Please accept my personal invitation to join us at the seventh Annual Meeting of Energy Savings Income Fund which takes place at 4:00 p.m., on Wednesday June 25, 2008 at the Toronto Stock Exchange — Broadcast Centre, in Toronto which is located on the main floor of The Exchange Tower, 2 First Canadian Place, 130 King Street West.

Energy Savings is situated in a high growth industry, the deregulation of natural gas and electricity sales to homeowners and small businesses. Deregulation is spreading to new jurisdictions every year creating millions of new potential customers for our Fund. In addition, our new Green Energy Option product allows homeowners to contract for green electricity and/or reduce or eliminate the carbon footprint of their natural gas usage. This is a very exciting time for Energy Savings.

The past year has seen three distribution rate increases rising from \$1.065 to \$1.21. In addition, a \$0.41 Special Distribution was declared resulting in an increase of 60% in distributions over fiscal 2007.

The items of business to be dealt with and the details of the meeting are listed in the attached Notice of Meeting. The business will include: the presentation of the Audited Consolidated Financial Statements of the Fund and the Report of the Auditors for the fiscal year ended March 31, 2008; the election of Directors of Ontario Energy Savings Corp. and the appointment of KPMG LLP as auditors.

Information concerning the Fund and its operating entities is available at our website at www.esif.ca. You will also find recently filed corporate disclosure documents on the website.

I hope you will be able to attend as the meeting is your opportunity to meet with the Board of Directors and the Senior Management Team to discuss items of interest to you and to receive a presentation outlining our continuing efforts to ensure that the Fund remains one of your most valued holdings.

If you are unable to attend in person, I urge you to vote indicating your preferences by signing and returning the enclosed Form of Proxy in the envelope provided.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rebecca MacDonald', written in a cursive style.

This Information Circular is furnished in connection with the solicitation of proxies on behalf of Montreal Trust Company of Canada (the "Trustee") by Ontario Energy Savings Corp. ("OESC" or the "Administrator"), the administrator of Energy Savings Income Fund (the "Fund"), for use at the Annual Meeting (the "Meeting") of the holders (the "Unitholders") of units ("Units") of the Fund and the holders of Class A Preference Shares of OESC (the "Preference Shares") (the holders of Units and Preference Shares being collectively referred to as "Holders"), to be held at the Toronto Stock Exchange — Broadcast Centre, the Exchange Tower, 2 First Canadian Place, 130 King Street West, Toronto, Ontario, Canada M5X 1J2 on Wednesday, the 25th day of June, 2008 (the "Meeting Date"), at 4:00 p.m. (Toronto time) for the purposes set forth herein and in the Notice of Meeting accompanying this Information Circular. References herein to "Holder" shall mean the holder of either Units or Preference Shares, as applicable.

FOR PURPOSES OF THE MEETING AND PURSUANT TO AN AMENDED AND RESTATED DECLARATION OF TRUST BETWEEN THE TRUSTEE AND OESC DATED AS OF APRIL 30, 2007 AS AMENDED ON DECEMBER 20, 2007 (THE "DECLARATION OF TRUST"), THE HOLDERS OF PREFERENCE SHARES ARE ENTITLED TO BE TREATED AS IF THEY ARE THE HOLDERS OF THE NUMBER OF UNITS THAT THEY WOULD BE ENTITLED TO RECEIVE ON THE RELEVANT DATE, IF THEY EXERCISED ON SUCH DATE, THE SHAREHOLDER EXCHANGE RIGHTS WITH RESPECT TO ALL OF THE PREFERENCE SHARES HELD BY THEM. ACCORDINGLY, PURSUANT TO THE DECLARATION OF TRUST AND AN AGREEMENT AMONG THE FUND, OESC, OESC EXCHANGECO II INC. ("EXCHANGECO"), THE HOLDERS OF PREFERENCE SHARES AND CERTAIN OTHER PARTIES DATED APRIL 30, 2001, AS AMENDED (THE "OESC SHAREHOLDERS' AGREEMENT") THE ENCLOSED PROXY MAY BE COMPLETED BY ANY PERSON WHO HOLDS UNITS AND/OR WHO HOLDS PREFERENCE SHARES.

The costs incurred in the preparation and mailing of the proxy, notice of annual general meeting and this Information Circular will be borne by the Fund. In addition to solicitation by mail, proxies may be solicited by personal interviews, telephone or other means of communication and by directors, officers and employees of the Administrator, who will not be specifically remunerated therefor.

All references to numbers of Units, Preference Shares, Unit Appreciation Rights, Deferred Units and Options in this Information Circular reflect the 2:1 subdivision of Units and Preference Shares which occurred on each of July 29, 2002 and on January 30, 2004.

APPOINTMENT OF PROXIES

Holders have received with this Information Circular a form of proxy for the Meeting. The persons named in such form of proxy are directors and officers of the Administrator. A Holder submitting a proxy has the right to appoint a person (who need not be a Holder) to attend and act on his or her behalf at the Meeting, other than the persons designated in the enclosed form of proxy. Such appointment may be exercised by striking out the names of the persons designated in the enclosed form of proxy and by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy. A form of proxy will not be valid unless it is completed and delivered to the Fund, c/o Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, for receipt not less than 24 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting Date or any adjournment or postponement thereof at which the proxy is to be used or be deposited with the Chair of the Meeting prior to the commencement of the Meeting. A proxy should be executed by the Holder or his attorney duly authorized in writing or, if the Holder is a corporation, by an officer thereof or an attorney thereof duly authorized.

OESC, as administrator of the Fund, has fixed the record date for the Meeting as the close of business on May 16, 2008 (the "Record Date"). Only Holders of record as at that date are entitled to receive notice of, and to vote at, the Meeting. No person who became a Holder after the Record Date shall be entitled to vote at the Meeting.

REVOCABILITY OF PROXIES

A Holder who has submitted a proxy may revoke it at any time insofar as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the Holder or by his or her attorney duly authorized in writing or, if the Holder is a corporation, by an officer or attorney thereof duly authorized in writing and deposited either at the head office of the Fund located at First Canadian Place, 100 King Street West, Suite 2630, P.O. Box 55, Toronto, Ontario, M5X 1E1, as the case may be, at any time up to and including the last business day preceding the Meeting Date or with the Chair of the Meeting on the Meeting Date and upon either of such deposits the proxy is revoked. A proxy may also be revoked if a Holder personally attends the Meeting and votes his or her Units or Preference Shares, as the case may be, or in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXYHOLDERS

The persons designated as nominees in the enclosed form of proxy will, on a poll, vote or withhold from voting, or vote as instructed, the securities in respect of which they are appointed in accordance with the instructions of the Holders appointing them. In the absence of such a voting instruction such securities will, on a poll or otherwise, be voted **FOR APPROVAL** or **FOR** those matters set out in the enclosed proxy and, at the discretion of the proxyholders, with respect to other matters that may properly come before the Meeting. **THE ENCLOSED FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN WITH RESPECT TO AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE PROXY AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING.** At the time of printing this Information Circular, management of the Administrator is not aware of any such amendments, variations or other matters. If any matters which are not now known to the Administrator should properly come before the Meeting, the persons named in the accompanying form of proxy will vote on such matters in accordance with their best judgment.

INTEREST OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED UPON

Montreal Trust Company of Canada is the Trustee of the Fund. The Trustee holds all the common shares of OESC on behalf of the Fund and must vote them pursuant to the direction of the Holders.

UNITS, PREFERENCE SHARES AND THE PRINCIPAL HOLDERS THEREOF

Units and Preference Shares

The Fund is an open-ended, limited purpose trust, established by the Declaration of Trust for the purpose of investing in and holding, directly or indirectly, certain securities of OESC and Exchangeco and 100% of the securities of several affiliated entities and issuing Units to the public. The sole beneficiaries of the Fund are the holders of the Units and Preference Shares. Pursuant to the terms of the Declaration of Trust: (a) Unitholders of record are entitled to notice of and to attend at the Meeting in person or by proxy, and to one vote per Unit held on any ballot thereat; and (b) the Holders of Preference Shares are entitled to notice of and to attend the Meeting in person or by proxy, and to vote in all votes of Unitholders as if they were the holders of the number of Units which they would receive if they exercised all of their shareholder exchange rights pursuant to the OESC Shareholders' Agreement as of the record date for such votes and are treated in all respects as Unitholders for the purpose of any such votes.

As at May 16, 2008, the Record Date, the Fund has 102,315,426 issued and outstanding Units and OESC has 6,706,212 issued and outstanding Preference Shares so that 109,021,638 votes are entitled to be cast at the Meeting.

Principal Holders of Units and Preference Shares

Except as disclosed below, to the best of the knowledge of the Trustee, the Administrator and the directors and senior officers of the Administrator, there is no person or corporation which beneficially owns, directly or indirectly, or exercises control or direction over, Units and Preference Shares, collectively carrying more than

10% of the voting rights attached to all Preference Shares of OESC and all Units of the Fund, in the aggregate, entitled to vote at the Meeting. Acuity Investment Management Inc. (“Acuity”) filed a report on Sedar as an eligible institutional investor pursuant to Part 4 of National Instrument 62-103 for the period ending March 31, 2008 indicating that as at March 31, 2008, it held as an eligible institutional investor, in accounts managed by Acuity 17,998,650 Units of the Fund (18.01%) of the then outstanding Units of the Fund. The report states that: “the securities were acquired in the ordinary course of business for investment purposes and not for the purpose of exercising control or direction over the Reporting Issuer” (ie. the Fund).

As at May 15, 2008, the officers and directors of OESC held beneficially, directly or indirectly, in the aggregate, approximately 1,753,817 Units and 5,263,728 Preference Shares.

Voting of Units — Advice to Beneficial Holders of Units

The information as set forth in this section is of significant importance to all Unitholders of the Fund, as none of the Unitholders (“Beneficial Unitholders”) of the Fund hold Units in their own name. If you are a Beneficial Unitholder and wish to vote in person at the Meeting, please contact your broker or agent well in advance of the Meeting to determine how you can do so.

Beneficial Unitholders should note that only proxies deposited by Unitholders whose names appear on the records of the Fund as the registered holders of Units can be recognized and acted upon at the Meeting. All of the Units are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited (“CDS”). CDS maintains books showing through which of its participants, such as investment dealers or brokers, the Units are owned. Investment dealers and brokers maintain their own records showing the Beneficial Unitholders of such Units by their clients. Units held by CDS can be voted only upon the instructions of the Beneficial Unitholder. Without specific instructions, CDS and its participants are prohibited from voting Units for their clients. The Administrator does not know for whose benefit the Units registered in the names of CDS are held. Therefore, Beneficial Unitholders cannot be recognized at the Meeting for purposes of voting their Units in person or by way of proxy unless they comply with the procedure designated below.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Unitholders in advance of Unitholder’s meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Unitholders in order to ensure that their Units are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Unitholder by its broker is identical to that provided to CDS. However, its purpose is limited to instructing the registered Unitholder how to vote on behalf of the Beneficial Unitholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Solutions, Canada (“Broadridge”). Broadridge typically prepares a voting instruction form (the “Voting Form”) which it mails to the Beneficial Unitholders and asks Beneficial Unitholders to return the Voting Form directly to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Units to be represented at the Meeting. A Beneficial Unitholder receiving a Voting Form cannot use that Voting Form to vote Units directly at the Meeting. The Voting Form must be returned to Broadridge well in advance of the Meeting in order to have the Units voted.

IF YOU WISH TO VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

Quorum for Meeting

At the Meeting, a quorum shall consist of two or more persons either present in person or represented by proxy and representing in the aggregate not less than 25% of the outstanding Units and Preference Shares. If a quorum is not present at the Meeting within one half hour after the time fixed for the holding of the Meeting, it shall stand adjourned to such day being not less than 14 days later and to such place and time as may be determined by the Chair of the Meeting. At such Meeting, the Unitholders present either personally or by proxy shall form a quorum.

COMPENSATION OF THE DIRECTORS AND OFFICERS OF OESC

Compensation of Directors

Commencing September 1, 2007 the annual retainer for outside directors was increased from \$35,000 to \$50,000. In addition, each director who is not a member of management receives a \$2,000 attendance fee for each board and committee meeting attended and is reimbursed for out-of-pocket expenses for attending directors' and committee meetings. Michael Kirby received an additional annual fee of \$10,000 for serving as Chair of the Audit Committee and the other members thereof receive an annual retainer of \$5,000 each. The Chair of each of the Compensation and Human Resources Committee and the Nominating and Corporate Governance Committee receives an additional annual fee of \$5,000. As lead director Mr. Segal receives an additional annual fee of \$30,000. All fees are payable quarterly in arrears. Directors are required to take \$15,000 of their annual retainer in Deferred Unit Grants ("DUGs") and may elect to take all or a portion of the balance of their fees in DUGs, in each case, pursuant to the Directors' Deferred Unit Compensation Plan referred to in note (6) on pages 19 and 20 of this Information Circular. At March 31, 2008 the non-management directors owned a total of 37,561 DUGs. Effective November 9, 2007 each director who is not a member of management is required, as a policy of the Fund, to own a minimum number of Units and/or DUGs having a value equal to two times their base retainer (i.e. \$100,000) by November 9, 2009. Each director is compliant with the current \$70,000 minimum holding requirement.

For the year ended March 31, 2008, the total compensation in the form of all fees, retainers, chair fees, attendance fees and expenses paid to the non-management directors was \$617,250 including: (i) the cash value of the DUGs received by them during the year; (ii) U.S. \$15,000 paid to each of two independent directors of the Fund's U.S. operating subsidiaries one of whom is a director of OESC and (iii) fees paid for participation in a Special Committee of the board established in May, 2007.

- (8) This amount reflects the number of unexercised (vested and unvested) options held at March 31 in each of the indicated years. Options vest over three or five years from the grant date and expire five or ten years from the grant date. Fully paid UARs do not reflect additional compensation, but rather bonus rewards required and/or elected to be received in the form of fully paid UARs.
- (10) In accordance with terms of their employment agreements and pursuant to elections made pursuant thereto, fully paid UARs representing March 31, 2006, 2007 and 2008 bonuses were issued to each of the above Named Executive Officers in the numbers and at the prices per UAR as disclosed. Fund Unit Option Plan

The directors, officers, full-time employees and service providers of and to the Fund and OESC are eligible to participate in the Fund's 2001 Unit Option Plan (the "Option Plan"). The purpose of the Option Plan is to provide such eligible participants with financial rewards that will encourage ownership of Units, enhance OESC's and the Fund's ability to attract, retain and motivate key personnel and service providers and reward directors, officers, employees and service providers for significant performance and cash flow growth of the Fund. The Option Plan is administered by the Compensation and Human Resources Committee ("Committee") of OESC in its capacity as administrator of the Fund. The Committee has the power to, among other things: (i) determine those directors, officers, employees and service providers eligible to be granted options; (ii) determine the number of Units covered by each option; (iii) determine the exercise price for each option; and (iv) determine the time or times when options will be granted and when they are exercisable and expire. The exercise price for any option granted may not be less than the closing market price of the Units on the Toronto Stock Exchange on the business day immediately preceding the day upon which the option is granted. Except as described in Note (8) to the Summary Compensation Table on page 6 of this Information Circular or otherwise provided in individual option agreements approved by the Committee, holders of options may exercise them at the applicable exercise price, subject to cancellation or acceleration in the event of termination of employment or death of the optionholder. Except as otherwise provided in individual option agreements approved by the Committee, options granted under the Option Plan are non-transferable, non-assignable and, except as described in Note (8) to the Summary Compensation Table on page 7 of this Information Circular, expire five or ten years from their grant date. At March 31, 2008, 698,666 options were available for grant under the Option Plan (less than 1% of the outstanding Units and Preference Shares).

Under the Option Plan and applicable option and employment agreements for the Named Executive Officers, all options will automatically vest immediately: (i) prior to the occurrence of a "Change of Control" of the Fund as defined under the heading "Employment Agreements — Named Executive Officers" on pages 11 - 15 of this Information Circular, (ii) upon dismissal without cause or constructive dismissal or (iii) in some cases, at the end of the term of an employment agreement if a further employment agreement on no less favourable terms from a commercial standpoint is not made available or offered to certain employees of OESC or an affiliate thereof.

Options Granted for Year Ended March 31, 2008

A total of 158,000 options have been granted to directors, officers, employees and service providers of OESC for the one year period ending March 31, 2008 to acquire in the aggregate 158,000 Units on the dates, in the numbers, and at the exercise prices per Unit as set forth below:

| <u>Date of Option Grant</u> | <u>Exercise Price Per Unit</u> | <u># of Options Granted</u> |
|-----------------------------|--------------------------------|-----------------------------|
| May 17, 2007 | \$15.11 | 58,000 |
| June 28, 2007 | \$15.09 | 50,000 |
| January 2, 2008 | \$16.70 | 50,000 |

Except for the 50,000 options granted to each of Messrs Bloch and McMurtry, no options to acquire Units of the Fund were granted to directors or to the Named Executive Officers for the year ended March 31, 2008.

Option Exercises and Financial Year End Value of Options

The following table sets forth the number of Units acquired pursuant to the exercise by the Named Executive Officers, if any, of unit options during the fiscal year ended March 31, 2008 the aggregate value realized upon any such exercise, and the number of Units covered by unexercised options under the Option Plan

as at March 31, 2008. The value of the unexercised in-the-money options is the difference between the exercise price of the options and the fair market value of the Units on March 31, 2008 which was \$13.06 per Unit:

| Name | Units of the Fund Acquired on Exercise | Aggregate Value Realized ⁽¹⁾ | Unexercised Options at March 31, 2008 | | Value of Unexercised in-the-Money Options at March 31, 2008 ⁽¹⁾ | |
|--------------|--|---|---------------------------------------|------------|--|------------|
| | | | Vested | Not Vested | Vested | Not Vested |
| Peter Bloch | Nil | Nil | Nil | 50,000 | — | Nil |
| Ken Hartwick | Nil | Nil | 70,000 | 80,000 | Nil | Nil |
| Paul Goddard | Nil | Nil | Nil | 50,000 | Nil | Nil |
| Mike Neylan | Nil | Nil | 15,000 | 10,000 | Nil | Nil |

Note:

(1) The aggregate value realized is equal to the number of units acquired on exercise times the difference between the amount realized on the sale thereof less the exercise price.

The in-the-money value of the unexercised Unit options has been calculated using the closing price of \$13.06 for the Units of the Fund on the Toronto Stock Exchange on March 31, 2008, less the applicable exercise price of underlying Unit options.

Unit Appreciation Rights Plan

As described under the headings “Employment Agreements — Named Executive Officers” and “Report on Executive Compensation” on pages 11 - 15 and 15 - 17 of this Information Circular, in lieu of granting options under the Fund’s 2001 Unit Option Plan, a specified minimum percentage of the short-term discretionary bonuses, unit performance bonuses and long-term incentive bonuses to which all of the Named Executive Officers and certain other employees of, and consultants to, OESC are entitled (individually an “UAR Grantee”), are payable in fully paid UARs which vest at various dates (a “Vesting Date”), ranging from immediately on the grant date to five years from the grant date (the “Grant Date”), providing that on applicable Vesting Dates the UAR Grantee continues to be an employee with or consultant to OESC or an affiliate thereof. The Unit Appreciation Rights Plan (the “UAR Plan”) is an umbrella plan which governs: (a) UARs previously granted to an UAR Grantee under employment agreements referred to under the heading “Employment Agreements — Named Executive Officers” on pages 11 - 15 of this Information Circular and (b) the grant of fully paid UARs to employees of and consultants to OESC and its subsidiaries which UARs may vest immediately or on a cumulative basis over a period of one to five years from the Grant Date. Fully paid UARs are, subject to vesting, exchangeable into fully paid Units of the Fund on a cumulative basis for terms ranging up to 10 years, on the basis of one Unit for each fully paid UAR. The number of fully paid UARs to which an UAR Grantee is entitled is determined on the relevant Grant Date by dividing the specified percentage of the amount of the short-term discretionary bonus, unit performance bonus or long-term incentive bonus to which such Grantee is entitled and/or elects to receive, and which is payable in fully paid UARs, by the simple or weighted average of the closing market price of Units on the TSX for periods ranging between 10 and 30 days for UARs granted prior to June 30, 2004, and, unless otherwise provided by the Committee (the “Committee”) and/or the Board of Directors, 30 days for all other UARs, in each case, prior to the Grant Date. Pending the exchange of fully paid UARs for Units, the Grantee of UARs is entitled to receive monthly cash payments from OESC equal to the monthly distributions (including special distributions), such Grantee would otherwise be entitled to receive if the UARs were Units, less any applicable withholdings or other tax. All outstanding UARs, whether or not vested, automatically vest on the happening of certain events including: death, a change of control, dismissal without cause or constructive dismissal and the inability, in certain circumstances, of OESC (or an affiliate thereof) and a Named Executive Officer to settle upon a further employment arrangement at the end of term. UARs do not carry the right to vote. The total number of Units which may be made available to any UAR Grantee under the UAR Plan together with any Units reserved for issuance under options or warrants for services and employee unit purchase plans or any other unit compensation arrangements to such UAR Grantee may not exceed 5% of the issued and outstanding Units and Class A Preference Shares of OESC at the Grant Date.

The UAR Plan is administered by the Committee which has broad powers respecting the granting, vesting, term and allocation of UARs and to interpret the UAR Plan. The aggregate number of UARs which may be granted under the UAR Plan is limited to two million which, when issued and vested, are exchangeable, on a one for one basis, into an equal number of fully paid and non-assessable Units.

The UAR Plan was introduced to replace the granting of options to senior executives of OESC and its affiliates and to provide a mechanism to ensure that all or a significant portion of the short-term discretionary performance bonuses, Unit performance bonuses and long-term incentive bonuses payable to senior officers (including the Named Executive Officers), are payable in fully paid UARs many of which vest over a period of two to five years, subject to continued employment on applicable vesting dates, in lieu of cash, thereby encouraging the employee recipients thereof to continue in the long-term employment of the Fund, while aligning their interests to those of Unitholders.

Employment Agreements — Named Executive Officers

The Summary Compensation Table, including the notes thereto on pages 5 to 8 of this Information Circular, summarizes the principal compensation arrangements with respect to the employment contracts for all Named Executive Officers.

Between March 9, 2006 and April 1, 2006, OESC entered into new five year employment agreements with each of Ms. Rebecca MacDonald (as Executive Chair of OESC), Mr. Brennan Mulcahy who resigned on February 29, 2008 (as Chief Executive Officer of OESC), Mr. Hartwick (as President of OESC) and Ms. Meffe who resigned on July 5, 2007 (as Chief Financial Officer of OESC). Mr. Scott Gahn entered into a five year employment contract with Energy Savings Texas Corp. on May 17, 2007 (as Chief Executive Officer). Mr. Mike Neylan who now serves as Senior Vice President and General Counsel entered into an employment agreement on April 25, 2005 which was amended on April 1, 2006 and April 1, 2008. Mr. Paul Goddard entered into a five year employment contract with OESC dated March 12, 2007. On July 5, 2007 Ms. Meffe resigned and entered into a termination agreement (described below). On February 29, 2008 Mr. Brennan Mulcahy resigned and entered in a departure agreement (described below) and each of Ms. MacDonald and Mr. Hartwick entered into amending agreements to expand their respective duties and responsibilities and to extend and/or amend their compensation arrangements. OESC entered into a five year employment contract with Peter Bloch as Chief Financial Officer of OESC for the period commencing January 2, 2008.

Under the terms of the employment agreements referred to above and described below in greater detail, each executive is retained for a five year period subject to various termination provisions described below. In

consideration for their services each executive is entitled to a base salary, various fringe benefits, and various short-term discretionary performance and long-term incentive bonuses and UAR entitlements described below.

Each of the above employment agreements contains: (i) confidentiality and non-disclosure provisions which apply for periods ranging from a minimum of two to four years after termination, (ii) non-competition and non-solicitation covenants which apply to the Fund's business for a period of two to three years after termination, provided the period is abridged or eliminated in the case of: (a) termination without cause or constructive dismissal to one year, (b) failure to renew upon completion of the term in certain circumstances to one or three years and (c) a change of control and (iii) termination provisions which, generally speaking, provide benefits as described below. In the event of termination without cause, constructive dismissal or in certain circumstances the failure to renew upon expiry of the term, an employee is entitled, *inter alia*, to one years' base salary and regular benefits, the automatic or continued vesting of 100% of all of an employee's unvested options, the automatic or continued vesting of 100% of all unvested UARs and in certain circumstances a portion of an employee's short-term and long-term incentive bonus opportunity. In the event of an indirect or direct "Change of Control" of OESC, each of the above officers has the right, within 60 to 120 days thereof, to terminate his or her employment agreement and to receive on such termination, generally, the same benefits to which he or she would have been entitled in the event of dismissal without cause or constructive dismissal and an automatic vesting of all unvested options and all unvested UARs. The accelerated vesting of the options and UARs referred to above also applies to all unvested options and all unvested UARs, if any, granted to a Named Executive Officer pursuant to option, UAR and employment agreements, to which they were parties prior to April 1, 2006.

A "Change of Control" is deemed to have occurred under each of the above employment agreements if: (a) any individual, partnership, firm, corporation, association, trust, unincorporated organization or other entity, or any syndicate or group acting or presumed to be acting jointly or in concert, offers to acquire or acquires, directly or indirectly, Units representing 50% or more of the outstanding Units; (b) assets of the Fund representing 50% or more of the net book value of the Fund, determined as of the date of the audited financial statements of the Fund then most recently published, are sold, liquidated or distributed; or (c) Unitholders approve, or the Fund consummates, any reorganization, amalgamation, arrangement, merger, business combination, consolidation, issuance of securities, sale of assets, liquidation, dissolution or winding-up, or any combination thereof (a "transaction"), and, as a result thereof, persons who are Unitholders immediately prior to such transaction would not, immediately thereafter, directly or indirectly, own securities representing de facto control of the reorganized, amalgamated, continuing, merged, surviving or consolidated entity.

For the year ending March 31, 2008 each of Rebecca MacDonald and Messrs Mulcahy and Hartwick became entitled to receive a long term incentive bonus based on incremental adjusted distributable cash for the Fund and its affiliates. Each of Rebecca MacDonald and Ken Hartwick received \$800,000 payable entirely in UARs and Mr. Mulcahy received \$733,333 payable in cash pursuant to his departure agreement referred to below.

The general guidelines to be used by the Compensation and Human Resources Committee in determining the amount of all short-term discretionary performance bonuses are set forth in Note (3) of the Summary Compensation Table on page 6 and below under the heading “Report on Executive Compensation”. All base salaries for Named Executive Officers are subject to annual review by the Committee and certain of the Named Executive Officers are required to hold a minimum equity position in the Fund in the form of Units and/or fully paid UARs. See note (3) on page 8.

Report on Executive Compensation

The compensation of the Named Executive Officers is set by the Compensation and Human Resources Committee of the Board of OESC (the “Committee”). The Committee’s executive compensation philosophy is guided by its objective to obtain and retain executives critical to the success of OESC and the enhancement of Unitholder value. To this end, executive compensation includes: (i) a base salary, (ii) a short-term discretionary performance bonus based on achieving operating performance targets including U.S. and Canadian growth, distributable cash, distributions, margins, renewals, attrition and other performance factors and (iii) in the case of Ms. MacDonald and Messrs. Hartwick, Bloch and Gahn a long-term incentive bonus based upon incremental adjusted distributable cash flow. Unit options provide a longer-term incentive for executives to enhance Unitholder value. Each officer’s performance and related salary level, short-term discretionary performance bonus, long-term incentive bonus and amount of Unit options is reviewed annually by the Committee in

conjunction with the Executive Chair and Co Chief Executive Officer and the President and Co Chief Executive Officer of OESC whose latter compensation packages are subject to the approval of the Committee and the full Board of Directors. The requirement that all of the current Named Executive Officers receive fully paid UARs as a component of their respective bonus and other entitlements aligns the interests of senior management with those of Unitholders and the Holders of Preference Shares.

A decision was made by the Committee in 2006 to replace the Unit Performance Bonus made available to Mr. Mulcahy and Ms. MacDonald for the year ended March 31, 2006 with a long-term incentive bonus as the latter bonus opportunity more closely aligns the interests of Unitholders with those of senior management.

A description of the executive compensation components is as follows:

Base Salary: The base salary of each executive is reviewable annually and recognizes the executive's experience, responsibility, contribution and intended performance and is targeted to the median of the market based on an analysis of the salaries for executives at comparable organizations. Base salaries also take into account the other components of an executive's total compensation package.

Short-Term Discretionary Performance Bonus: An annual short-term discretionary performance bonus may be granted by the Committee to each of the Named Executive Officer based on performance factors including the growth of the customer base, operating margins, distributable cash, distributions, renewals, expansion into new markets, customer attrition in the preceding year and the performance of each Named Executive Officer in the context of the duties and responsibilities of each of them in their respective employment contracts. Under four of the five year employment agreements referred to above, 50% of an employee's short-term discretionary performance bonus opportunity is payable in fully paid UARs. See below.

Unit Performance Bonus: In lieu of granting additional options in 2005 to the Executive Chair and Chief Executive Officer, the Committee structured a Unit Performance Bonus for two of its Named Executive Officers (the Executive Chair and the Chief Executive Officer of OESC) the amount of which was based on an increase in the market price of Units of the Fund and to be paid entirely in fully paid UARs vesting over a three year period subject to continued employment. The Committee concluded that the payment over the long-term of bonuses based on incremental adjusted distributable cash flow to executive management better aligned the interest of the Unitholders and the Holders of Preference Shares with those of executive management and accordingly, commencing April 1, 2006 replaced the Unit Performance Bonus with a bonus based on incremental adjusted distributable cash.

Long-Term Incentive Opportunity — Incremental Adjusted Distributable Cash Flow: To replace the Unit Performance Bonus and to further align the interests of executive management with those of Unitholders who have an interest in the maintenance of and increases in the amount of distributions on Units, the Committee introduced the long-term incentive bonus plan which is based on incremental adjusted distributable cash flow which is one of the principal drivers in determining the level of distributions payable by the Fund on its Units. The plan is described in greater detail on page 12 of this Information Circular.

Fund Option Grants: The Committee is responsible for awarding options to directors and employees pursuant to the Fund's 2001 Unit Option Plan. The option grants provide longer-term incentive to pursue significant performance for OESC and cash flow growth for the Fund. As at March 31, 2008 the Fund has 698,666 remaining options available for grant under the Plan. The Committee has no plans to increase the number of options under the Plan. Except for 50,000 options made available to each of Roy McMurtry in June 2007 and to Peter Bloch as the new Chief Financial Officer on January 2, 2008, the Committee has no present plans to award additional options to directors or Named Executive Officers.

Employee Loans: The Committee has established a policy to prohibit loans to employees or directors.

UARs: The Committee has awarded fully paid UARs to the Named Executive Officers pursuant to their employment agreements and the Unit Appreciation Rights Plan (described under the heading "Unit Appreciation Rights Plan" on page 10 in this Information Circular). The Committee has used and will continue to use fully paid UARs to provide the Fund with a mechanism of capitalizing payments which senior executives of the Fund would otherwise receive in the form of cash as part of their short-term discretionary performance

bonus, long-term incentive bonus and other compensation entitlements into Units thereby encouraging such persons to continue in the long-term service of the Fund and aligning the interests of all Named Executive Officers with holders of Units of the Fund. For five of the six current Named Executive Officers, at least 50% of all short-term discretionary performance bonuses and 100% of all long-term incentive bonuses are payable in fully paid UARs which, except for those granted based on an employee's election to receive UARs in lieu of a cash entitlement (which vest immediately), vest on the first, second and third anniversary of the grant date, subject to continued employment with OESC or an affiliate thereof on each applicable vesting date.

Retention and Incentive UARs: Because of the competitive nature of the Fund's business and employee mobility in the Fund's business sector, to encourage employee retention and to incentivize employees, the Committee awarded additional bonuses for the year ended March 31, 2007 and 2008 in the form of fully paid UARs vesting over a three year period providing on the relevant vesting day the grantee remains an employee of OESC or an affiliate thereof. Of the 66,684 incentive UARs granted for the year ended March 31, 2008 (146,525 retention UARs for the year ended March 31, 2007), a total of 3,000 retention UARs were made available to two Named Executive Officers.

Employee Benefit Plans: On October 1, 2004 and effective April 1, 2004, the Fund established a long-term incentive plan (the "Plan") for all permanent full time and part time Canadian employees (working more than 20 hours per week) of its affiliates and subsidiaries. The Plan consists of two components, a Deferred Profit Sharing Plan ("DPSP") and an Employee Profit Sharing Plan ("EPSP"). For participants of the DPSP, the Fund contributes an amount equal to a maximum of 2% per annum of an employee's base earnings. For the EPSP, the Fund contributes an amount up to a maximum of 2% per annum of an employee's base earnings towards the purchase of Units, on a matching one for one basis.

Participation in either plan is voluntary. The plan has a two year vesting period beginning from the later of the plan's effective date and the employee's starting date. The cost of the Fund's contribution to the plan is expensed as services are rendered by each employee. See note (11) to the Summary Compensation Table on page 8 of this Information Circular.

Compensation matters relating to each of the Executive Chair and Co Chief Executive Officer and the Co Chief Executive Officer and President are approved by the Board of Directors on the recommendation of the Committee. Each of Ms. MacDonald and Mr. Hartwick entered into employment agreements with OESC for five years commencing April 1, 2006. These were amended on February 29, 2008 as described on pages 12 to 14. See "Employment Agreements — Named Executive Officers" on pages 11 - 15 of this Information Circular. In consideration for their services for the year ended March 31, 2008, each of Ms. MacDonald and Mr. Hartwick received a base salary, various fringe benefits, a discretionary performance bonus (based on the factors set forth elsewhere in this Information Circular), and a long term incentive bonus all as described under the Summary Compensation Table on page 6 of the Information Circular. MATTERS TO BE ACTED UPON AT THE MEETING

Election of Directors of Ontario Energy Savings Corp.

OESC has a Board of Directors (the “Board”), which presently consists of seven members all of whom are standing for election and are being elected by the Trustee as directed, as the holder of all the common shares of OESC and by the Holders of Preference Shares.

The following persons are the nominees proposed by the Administrator on behalf of the Fund for election as directors of OESC to serve until the next annual meeting of Unitholders or until their successors are duly elected or appointed. The OESC Shareholders’ Agreement provides that at all times a majority of the directors of OESC shall be persons who are not officers or employees of OESC or any affiliate or subsidiary thereof or persons who beneficially own, directly or indirectly, or who exercise control or direction over Units representing more than 10% of the outstanding Units on a fully diluted basis (including Preference Shares) or directors or officers of any such person or any affiliate or subsidiary thereof. For these purposes any person who beneficially owns or exercises control or direction over Preference Shares shall be considered to beneficially own or exercise control or direction over the number of Units which would be received on the exercise of shareholder exchange rights in respect of the Preference Shares beneficially owned by him or over which he exercises control or direction. If any vacancies occur in the slate of such nominees because any nominee is unable to serve or will not serve, discretionary authority conferred by the proxies appointing the Fund nominees will be exercised to grant approval to the Trustee to cause the Administrator to vote for the election of any other person or persons nominated by the Trustee. The names of the nominees for election as directors, principal occupations, year in which each became a director of OESC and the number of Units and Deferred Unit Grants of the Fund and Preference Shares beneficially owned or over which control or direction is exercised by such persons, are as follows:

Notes:

- (1) Member of the Audit Committee. Mr. Kirby is the Chair.
- (2) Member of the Compensation and Human Resources Committee. Mr. Smith is the Chair.
- (3) Member of the Nominating and Corporate Governance Committee. Mr. Segal is the Chair.
- (4) Includes Units issuable on the exercise of shareholder exchange rights attaching to Preference Shares pursuant to the OESC Shareholders' Agreement.
- (5) Appointed lead director by the Board of Directors on January 17, 2005.
- (6) As indicated under the heading "Compensation of the Directors" on pages 4 - 5 of this Information Circular, for the year of the Fund ending March 31, 2008, the non-management directors of OESC were required to receive \$15,000 of their annual retainer in fully paid DUGs at the end of each quarter and are entitled to elect to receive all or a portion of their remaining director's fees in fully paid DUGs payable at the end of each quarter of the Fund, pursuant to the Directors' Deferred Unit Compensation Plan (the "Director's Plan"). The purpose of the Director's Plan is to provide effective incentives for the independent directors to promote the business and success of the Fund by encouraging the ownership of Units. The DUGs, which are credited to a director's DUG account at the end of each quarter during each fiscal year of the Fund (the "Grant Date"), and which are based upon the weighted average trading price of Units for 10 trading days on the TSX preceding the end of each quarter of the Fund's fiscal year, may not be exchanged for Units on a 1:1 basis and issued to such director until the earlier of: (i) the termination of three years from the Grant Date, (ii) the day such director ceases to be a director of OESC and (iii) a change of control, providing that no Units may be issued after the expiry of 10 years from the Grant Date.

The price used to determine the number of notional Units granted to directors pursuant to the Director's Plan for the year ending March 31, 2008 was: \$15.12 for the quarter ended June 30, 2007; \$15.16 for the quarter ended September 30, 2007; \$15.71 for the quarter ended December 31, 2007 and \$12.77 for the quarter ended March 31, 2008 based on the simple average closing price of Units on the TSX for the 10 trading days preceding each quarter end of the Fund.

The total number of Units issuable pursuant to the Director's Plan may not exceed 100,000. As at March 31, 2008 the non-management directors owned a total of 37,561 DUGs allocated as to 3,740 to Michael Kirby; 3,999 to Hugh Segal; 15,548 to Brian Smith; 9,998 to Gordon Giffin, 3,481 to John Brussa and 795 to Roy McMurtry. The number of DUGs to which a director is entitled to receive is increased pursuant to a formula in the Director's Plan reflecting the amount of the distributions which a director would have received if he held Units in lieu of DUGs.

Rebecca MacDonald has received fully paid UARs as part of bonuses payable to her on March 31, 2006, 2007 and 2008. All UARs held by her are governed by her employment agreement and the Fund's 2004 UAR Plan described on page 10 of this Information Circular and are exchangeable 1:1 into Units of the Fund. Neither the DUGs nor the UARs carry the right to vote.

- (7) Each director is required by November 9, 2009 to hold a minimum number of Units of the Fund (including UARs and DUGs) equal to at least two times the base retainer or \$100,000 (currently \$70,000).

Each of the foregoing persons has held the same principal occupation or other positions with the same employer for the previous five years except as follows:

Rebecca MacDonald became an officer of OESC in January 2000. A member of the Senate of Canada between 1984 and October 2006, The Honourable Michael Kirby served as Chair of the Standing Senate Committee on Banking, Trade and Commerce from 1994 to 1999 and until October 2006 served as Chair of the Standing Senate Committee on Social Affairs, Science and Technology. The Honourable R. Roy McMurtry was appointed Chief Justice of Ontario on February 20, 1996 and retired at age 75 on May 31, 2007 to become counsel at Gowling Lafleur Henderson LLP.

The Honourable Hugh D. Segal is a Senior Fellow, School of Policy Studies, Queen's University and, prior to November 1998, he was an Associate of Gluskin Sheff & Associates Inc. (investment counsel). Mr. Segal served as President, Institute for Research on Public Policy (research institute) until May 31, 2006. He was appointed to the Senate of Canada on August 2, 2005 and currently is a member of the Committees on Aboriginal Peoples, Agriculture and Forestry and Foreign Affairs and International Trade. The Honourable Gordon D. Giffin served as the United States Ambassador to Canada from August, 1997 to April, 2001 after which he returned, as a senior partner, to McKenna, Long & Aldridge LLP (law firm).

The information as to Units, Preference Shares, DUGs and UARs beneficially owned or controlled, directly or indirectly, not being within the knowledge of the Administrator, has been furnished by the respective nominees individually.

Appointment of Auditors of the Fund

The Board of Directors propose that KPMG LLP be appointed as auditors of the Fund until the next annual meeting at such remuneration as may be approved by the Board of Directors.

Unless otherwise directed, the persons named in the form of proxy solicited by the Administrator will vote the Units and Preference Shares represented by proxy for the appointment of KPMG LLP as the independent auditors of the Fund, to hold office until the next annual meeting of Unitholders at a remuneration to be fixed by the Administrator. KPMG LLP have been auditors of the Fund since June 29, 2005.

In order to be effective, the resolution appointing KPMG LLP as auditors and authorizing the Directors to fix their remuneration, must receive the affirmative vote of a majority of the votes cast by Holders of Units and Preference Shares in person and represented by proxy.

The Board of Directors of OESC recommends a vote “FOR” the appointment of KPMG LLP as independent auditors for the Fund for the fiscal year ending March 31, 2009 and “FOR” authorizing the Board of Directors of OESC to fix the auditor’s remuneration.

For fiscal 2008, fees charged by KPMG LLP for audit and related services to the Fund and its subsidiaries were \$490,100 (2007 — \$360,398). Fees for tax related services amounted to \$97,418 (2007 — \$21,000) and other fees were nil (2007 — \$24,000). Total fees for fiscal 2008 were \$587,518 (2007 — \$405,398). No other services were provided to the Fund and its subsidiaries by KPMG LLP.

The Audit Committee has considered whether the magnitude and nature of these services is compatible with maintaining the independence of the external auditors and is satisfied that they are. All services provided by KPMG LLP require the approval of and were approved by the Audit Committee.

COMPENSATION OF THE TRUSTEE AND THE ADMINISTRATOR

Compensation of Trustee

Pursuant to the provisions of the Declaration of Trust the Trustee receives an annual fee of \$10,000 per year for its services as Trustee to the Fund.

Administration of the Fund

On April 30, 2001, the Fund entered into an administration agreement (the “Administration Agreement”) with OESC, pursuant to which OESC agreed to provide or arrange for the provision of services required in the administration of the Fund. In consideration of its services, OESC receives an annual fee of \$100 plus certain out of pocket expenses. OESC received a fee of \$100 for the period from April 1, 2007 to March 31, 2008.

CORPORATE GOVERNANCE

The Canadian Securities Administrators issued National Policy 58-201 entitled “Corporate Governance Guidelines” (“NP 58-201”) and National Instrument 58-101 entitled “Disclosure of Corporate Governance Practices” (“NI 58-101”) which apply to reporting issuers after June 30, 2005. Although the Fund does not have a board of directors or similar governing body, given that the Fund owns all of the common shares of OESC and that pursuant to the Declaration of Trust the Unitholders are given rights substantially equivalent to those which they would have if they were shareholders of OESC, it is appropriate to review the corporate governance practices of the Board of OESC. Schedule “A” which is attached to this Information Circular details the corporate governance practices of OESC with reference to NP 58-201 and Form 58-101F1. Schedule “B” indicates other directorships of reporting issuers and/or their subsidiaries held by those persons nominated as directors of OESC and the committees of such entities on which they serve and Schedule “C” sets forth the Mandate for the Board of Directors of OESC. The Fund is in substantial compliance with NP 58-201.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, there were no material interests, direct or indirect, of directors or executive officers of OESC, any securityholder who beneficially owns, directly or indirectly, or exercise control or direction over more than 10% of the outstanding Units, or any other Informed Person (as defined in National Instrument 51-102) or any known associate or affiliate of such persons, in any transaction since the commencement of the last completed financial year of the Fund or in any proposed transaction which has materially affected or would materially affect the Fund or any of its subsidiaries.

REGULATORY MATTERS AND BANKRUPTCIES AND INSOLVENCIES

No nominee for director of OESC is, as at the date of this Information Circular, or has been, within 10 years before the date of this Information Circular, a director or executive officer of any company that, while that person was acting in that capacity, (i) was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days, (ii) was subject to an event that resulted, after the director or executive officer ceased to be a director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, or (iii) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

There have been no penalties or sanctions imposed against any proposed director by a court or regulatory authority during the year ended December 31, 2006 or any other penalties or sanctions imposed against any proposed director by a court or regulatory body that would likely be considered important to a reasonable shareholder in making a decision with respect to voting for any proposed director. There have been no settlement agreements that any proposed director has entered into with a court relating to securities legislation or with a securities regulatory authority during the financial year of the Fund ended March 31, 2008.

REORGANIZATION OF THE FUND

On June 29, 2005 the Unitholders and holders of Preference Shares authorized the Fund, by Special Resolution, to approve a reorganization, with a view to conserving cash flow for expansion and ensuring continuity of distributions to Unitholders. The Fund received a favourable advance income tax ruling in respect of the reorganization from the Canada Revenue Agency on March 30, 2007. The reorganization was completed on April 30, 2007.

SCHEDULE C

The Board of Directors of Ontario Energy Savings Corp. (“Energy Savings”) Board Mandate

— Supervising the Management of the Business and Affairs of Energy Savings —

Our Main Responsibilities

We provide the supervision necessary for:

1. **Disclosure of Reliable and Timely Information to Unitholders** — the Unitholders depend on us to get them accurate and relevant information.
2. **Approval of Strategy and Major Policy Decisions of Energy Savings** — we must understand and approve where Energy Savings is going, be kept current on its progress towards those objectives and be part of and approve any major decisions.
3. **Evaluation, Compensation and Succession for Key Management Roles** — we must be sure that the key roles have the right people, that they are monitored and evaluated by us and that they are appropriately compensated to encourage Energy Saving’s long-term success.
4. **Oversight of the Management of Risks and the Implementation of Internal Controls** — we must be satisfied that the assets of Energy Savings are protected and that there are sufficient internal checks and balances.
5. **Effective Board Governance** — to excel in our duties we need to be functioning properly as a Board — strong members with the right skills and the right information and generally to be responsible for the development of Energy Savings approach to corporate governance.

Independence is Key

The Board of Directors understands that we must be independent of the management of Energy Savings. To enhance our independence we have implemented the following:

- A majority of the members of the Board are independent
- All Committees are composed solely of non-management directors
- The Board and its Committees can meet independently of management at any time
- The Board and its Committees can hire their own independent advisors
- An independent lead Director with a clear mandate provides leadership for the independent directors
- A policy requires all Directors to hold deferred units or units as part of the Board retainer
- The provision of high-quality information for Directors — orientation for new directors, meaningful presentations, access to management and sufficient time to review material

We know independence requires more — it requires preparation for meetings, understanding the issues, strength, commitment, integrity and an inquiring mind.

Our Composition

Our number shall be as provided for in accordance with OESC’s By-laws from time to time and shall comply with the rules of board composition established by the Nominating and Corporate Governance committee of OESC. Each director shall possess the qualities set out in the Position Description for Directors and the Position Descriptions for Directors in their role as Chair of each Board Committee.

We will create Committees from time to time and will delegate certain functions to them. Each of these Committees has a written Mandate. These Mandates are reviewed on a regular basis and are updated and

amended as often as needed to respond to the evolving regulatory and market environment in which Energy Savings operates.

Independent Functioning of Board and Committees

The Board is responsible for establishing the appropriate procedures to ensure that the Board, Committees and individual Directors can function independently of management to the extent considered necessary or desirable by Directors. The Board can retain independent professionals. Each Committee can retain and terminate independent professionals and each has the sole authority to approve all fees payable to an Independent professional. Any Director can retain an independent professional with the prior approval of the Nominating and Corporate Governance Committee. Each Committee and the Board can conduct all or part of any meeting in the absence of management, and it is the Board's policy to include such a session on the agenda of each regularly scheduled Board meeting.

Each Committee chair can also require the Corporate Secretary to convene a meeting of the Board or a Committee to be held in the absence of management or to reserve an agenda item at any Board or Committee meeting for business to be conducted in the absence of management. Each Director can request such a meeting or reserved agenda item by contacting a Committee Chair.

Meetings

The Board meets a minimum of four times per year. For regularly scheduled meetings, an agenda for each Board meeting and other documents for consideration are sent by courier to all Directors about one week in advance of each meeting. For special meetings of the Board, best efforts are made to distribute materials to the Directors as far in advance as practicable. A complete Board package, which includes all material for the meeting, is provided to each Director prior to the commencement of each meeting.

Specific Duties and Responsibilities

The Board has the following specific duties and responsibilities, which may be delegated to Committees of the Board, in whole or in part, with ongoing reporting by the Committees to the Board:
